III. DAILY PROCEEDINGS

Clergy Executive Session

Marriott Waterfront Baltimore

Wednesday May 30 2018 1:30 p.m.

The Rev. Frances Stewart welcomed the assemblage and requested they stand and sing the opening hymn "How Great Thou Art." Pastor Delonta Sims led the opening Prayer. The Rev. Patricia Lebring employed "Bible storytelling and movement" to present the scripture 1 Corinthians 12:12-27.

The Rev. Melissa Muldoon, chair of the Order of Elders brought reflections. Church was a place where she always felt loved and accepted. "We are all one body in Jesus Christ" she said.

He said that what we all have in common is that at some point in life we felt at home in the house of God and that we were called by God. "Someone told us that you are beloved you are God's. Even as the church seems divided we need to remember that we are all baptized in one body in the name of Christ."

The Rev. Paul Torres invited everyone to stand for the closing prayer, a litany after which all joined in singing the closing hymn "Amen Hine Lord."

The Rev. C. Anthony Hunt, Chair of the Board of Ordained Ministry greeted those assembled. Bishop Asterling thanked the worship team for centering the assembly. He reminded those present that there was very important work required by the discipline. "We are here in one covenant" she declared. "All children of God covered by the grace of God." He reminded everyone "we are brothers and sisters in Christ in covenant with one another. We will respect one another. We will speak with dignity and calmness. And we will not use words that are offensive or even words that might provoke a strong response. We are one body beneath the Cross."

Hunt read the Clergy Session Organizing Motion. It passed. He then invited the Rev. Conrad Lincoln, dean of the Cabinet to give the Cabinet's response to disciplinary question 1.

The Rev. Mark Norman, speaking as Chair of the Conference Rules Committee raised a point of order, question "Concerning the Board and its work especially in light of its policy adopted that was announced in April... whether or not the report of the Board of Ordained Ministry should be in order at this point."

Bishop Asterling responded "It is the understanding of the chair that we can receive the report of the Board of Ordained Ministry. We can take it *seriatim* so that items of the report that are not in question might be duly acted upon. Then portions of the report that anyone deems out of order could be addressed at that time."

Norman moved that it would be in order.

Lincoln gave the Cabinet's response to question 1.

Hunt presented the Board of Ordained Ministry narrative report that can be found in section reports. During his presentation Hunt said that three areas give particular evidence to the work of the Board of Ordained Ministry this year and the importance of the work they do. They are the Residency in Ministry Program (M) coordinated by the Rev. Jonathan Oster, the Culture of the Call chaired by the Rev. Miriam Reynolds and the Discipleship on Human Dignity co-chaired by the Revs. Amy McCullough and Bruce Jones. They came forward and shared briefly of their work.

The four year old Residency in Ministry Program is starting to bear fruit Oster said. M is a three year cycle with provisionals of teaching mentoring and peer support. In monthly meetings they spend the morning looking at best practices lunch and fellowship and

afternoon in small groups. Recent cohorts have expressed positive outcomes from this program with comments ranging from life giving to life saving in their ministry.

Reynolds said that a culture of call is a priority not just for the Board or the Conference but is a priority for everyone of us in ministry laity and clergy. Reynolds explained A culture of call will not flourish if we only hope people will respond to God. He gave biblical examples illustrating the responsibility of all people to encourage and equip persons to respond to God's call.

McCullough gave an accounting of the work done by the Task Force on Human Equality formed in June 2017 with a charge to review the Board's recent policies on same sexuality, gender identity and marriage as it relates to the ordination of candidates for ministry. Based on this work the Task Force was to make recommendations for future policies. In October 2017 the Board adopted its policy used it in their ordinations in January and February and shared it with the Conference in April 2018.

Went began leading the session through the disciplinary questions regarding clergy.

Question 18.a was approved 18.b and 18.c are informational.

Question 19.a. Currently certified candidates as candidates for ordained or licensed ministry also informational.

Bishop Asterling recognized the Rev. Katie Bishop Greuter Runswick Charge Rederic District who stated that she has a certified candidate in her congregation William Carpenter who was not listed and is interested in working toward being commissioned. He is a transfer from Florida and a candidate for diacon. Went addressed the inquiry to the district committee chair. If he is being processed his name will be added as an editorial change.

Questions 19.b. and 19.c are also informational. Question 20 is of those who completed studies for license as a local pastor but not appointed.

The bishop asked that Dave Choeller, Council staff be welcomed to provide instruction on the use of the voting devices.

The Rev. Ryan Savig in Tension Ministry at Georgetown University stated that according to conference rules the secret ballot requires a one-third vote and that using the voting machine is a secret ballot. He said that they should continue to use the cards.

The bishop disagreed and said that she believed the voting devices could be used.

The Rev. Angela Lanagan Silver Spring MC moved that all questions in regard to conference relationships to include ordination, commissioning and honorable location and retirement be by hand vote. Her motion was seconded. In fairness those who vote should be willing to go on record and that the vote should not be trusted to technology that has been a challenge and barrier in the past. Lanagan believed regardless of how people voted they owed it to M members to own their decisions and that part of being an authentic community was being honest with each other. She requested that we model for the church how to be open and honest with each other in conversation and in our decision making with one another.

Bishop Asterling allowed the motion to stand and asked if there were three arguments for and three against.

The Rev. Loretta Johnson of Johns Memorial in D.C. spoke against the motion. She recommended the voting machine be used at the discretion of the bishop and also to ensure there is a valid count.

The Rev. Sarah Chlicert of Melville Chapel asked for clarity on the motion which she believes was that a hand vote would be done on all votes having to do with clergy relations.

Bishop Asterling agreed that Chlicert's interpretation of the motion was correct in regards to the report. The Rev. Mary Kay Otty Umbarton spoke in favor of doing a hand vote or a

standing count vote. He recounted her memories of the trouble with the devices last year and preferred that they stand for their vote and what they believed in.

orman offered a Point of Information from the Rules of the Session. A standing vote count may be ordered on call of any member supported by one third of the members present and voting. He suggested the need to clarify whether the motion was for a standing vote or a hand vote.

The Bishop stated that she believed the motion was for a hand vote.

ev. Judy Ropleh was recognized. She stated that because most of the votes require a percentage it was best to use the voting machines to get the most accurate count.

ev. Rachel Cornwell, Tension Ministry spoke for the motion. He believes everyone needs to show what they are voting for and carefully count the votes. He said that she shares Betty's concern about the technology and our unwillingness to stand for what we really believe in.

ev. David Graves, Tension Ministry in a speech against stated that in this day and age he trusts the handheld counting device more than he trusts the pages counting the hand vote and doing a tally that is later brought back to them.

ev. Laura Lauvelt of Potomac MC speaking for the motion said it was an issue of transparency that was called for and that there are concerns about the voting pads because they used them for years but not as a way to cast votes during executive session.

After speeches for and against the motion Bishop Easterling asked to hear the motion and the member read it. The move that all questions with regard to conference relationships to include ordination, commissioning, honorable location and retirement be by hand vote.

The motion failed.

Steve asked who was allowed to vote because he saw cards that were not blue.

orman said that all members of the clergy were allowed to vote. The question referred back to the organizing Motion which included who had voice and vote. Orman pointed out that that would not just be blue cards because of lay members to the Board of Ordained Ministry and some local pastors who would have voice and vote. The bishop agreed.

He ev. Inger Aines Cirelli foundry asked for clarification that vote is required the one third vote or is it a simple majority for this Bishop Easterling clarified that it was a majority vote.

He ev. Bill Brown, Wesley Freedom asked if it was in order to ask for a closed session. Bishop Easterling said the motion was out of order.

Aines Cirelli suggested that a bar be created in the room so that those already present would be able to remain but would be clear on the body that is eligible to vote.

It was agreed that there would be a ten minute break during which time the bar would be established and people seated accordingly.

Only those members who were able to vote would remain in the designated area but the bishop asked that an exception be made for Bishop Tithe.

Ropleh reported that the situation with William Carpenter had been resolved and Carpenter was added to question 1a.

Bishop Easterling summarized the actions taken regarding using hand vote versus using the handheld devices setting the bar to ensure the correct persons voted and called for a vote on the motion. The vote failed. The handheld devices were used for the votes during the session.

David Choeller gave instructions on using the voting units and checked if they were functioning correctly. Those with problems were provided with new devices.

He Bishop informed those assembled that if the work of the session was not concluded the

session would be reconvened after the pm opening worship that evening until the work was concluded.

Work resumed the disciplinary questions with question 20. It passed. Questions 21.a full time local pastors and 21.b Part time local pastors passed with a few minor corrections.

Question 2 which listed clergy in good standing who have been approved to serve within the bounds of the Annual Conference was approved. Question 2 .b. listed Affiliate members with no vote who were approved by two-thirds of the body to serve without vote in the Annual Conference and Question 2 .a. had no one listed nor did Question 2 .

Norman asked if Question 28 could be treated *ad seriatim* and continue with the report and come back to these sections and perhaps picking up at Question 3 to continue with those parts of the report least likely to cause discussion and debate. Bishop Easterling agreed to move to Question 3 and then return to Question 28.

Work turned the process over to McCullough the co chair of the Board who proceeded to Question 38 as there was nothing to report in 33. Question 38 regarding transfers to other annual conferences was approved. Aimee Cirelli asked if Donna Lee Nelson who was being received from another annual conference was present and suggested she be welcomed which she then was.

Question 42. b. was approved for the voluntary discontinuance. There was none to report for Question 43. a. and b. McCullough invited the Chair Conference Relations Committee the Rev. Jennifer Arnsner to come forward for Question 43.c. Bishop Easterling asked that there be pause and prayer for a moment in recognition of the seriousness of the vote. Pastor Michael Parker offered a prayer. It was approved.

McCullough next moved to Question 4 .a and b. regarding conference membership termination and asked if the items should be handled separately. The bishop replied that they should be handled separately. Question 4 .a. was approved.

McCullough then moved to Question 4 .b. Philip Rogaman withdrawal from ordained ministerial office. The Rev. Mary Betty of Umbarton MC asked what would be the result if we vote against Bishop Easterling responded Philip Rogaman voluntarily surrendered his credentials at last Annual Conference during this clergy session. He went on to say that his credentials after being seen by the Conference secretary are now in the Episcopal office. If the question did not carry then the session would be telling Rogaman that the conference wanted him to stay in relationship as a full member of the Annual Conference.

Rogaman was at the conference as a lay delegate. Betty said she missed him in this order. The Rev. Debbie Cott Calvary MC asked for clarification that there were no disciplinary actions related to the surrender of credentials and that the body could vote not to accept them. The bishop agreed with her statement. The termination failed to pass.

The Rev. Bonnie McCubbin of Good Shepherd MC asked if Rogaman was allowed to now be seated within the bar for the remainder of the clergy session. Bishop Easterling replied that if he were an Elder in good standing he would be able to be seated in the bars of the conference. He would need to relinquish his rights as a lay delegate.

Rogaman said that he was deeply moved. His views have not changed and he has a book coming out in August about this. He thanked Bishop Easterling and said he had apologized last year for putting this upon her in her first annual conference. He thanked everyone.

Bishop Easterling reminded everyone that in clergy session the use of electronic media to share the work being done is a violation of the covenant with one another. Using electronic media of any kind to report out anything happening in the session is prohibited. The Communications team reports out on the work being done.

McCullough brought attention to Question 48 those who died during the year and said they

will be remembered during the Memorial service. Question 4 lists provisional or ordained members who have received appointments in other Annual Conferences of the United Methodist Church and is informational. Question 0.a. provisional ordained members or associate members on leave of absence. All names were approved. Question 2 was for those granted medical leave due to medical or disabling conditions and was approved.

Question 3 listed members in full connection that have retired. Names were read aloud.

The body approved those listed. The bishop asked for a moment for the body to celebrate the retirees. Question 4 listed retiring local pastors and was informational. McCullough asked to read their names and then invite all retirees to stand for a prayer for them. The bishop agreed.

Question 2.a. lists less than full time service. Names were read. All were approved.

McCullough prayed for those on Medical Leave and for the Rev. Ed Marsh who is sick in response to a request for those prayers.

Question 5.c. lists those appointed to other valid ministries beyond the United Methodist Church. The Rev. J. J. Par Central Maryland District Superintendent rose to add two names the Rev. Iannei on Par Center Street MC and the Rev. Bertie Williamsaisy M Church. Question 5.c. was approved.

Went came forward to return to page 6 of the report Question 28. The Rev. John Wudisill Montgomery MC raised a point of order stating that he believed it was an inappropriate motion as it stands. He then read

The main motion is in order that conflicts with the corporate charter constitution or bylaws and to the extent that the procedure rules applicable to the organization or assembly are prescribed by federal state or local law no main motion is in order that conflicts with such rules. He concluded to believe that in its current constitution that this motion is out of order.

Bishop Asterling asked what he was reading from and he replied Roberts Rules of Order.

Bishop Asterling clarified that he was raising an objection to this portion of the Board of Ordained Ministry report coming forward. The bishop deferred to the Chancellor on whether or not raising a civil question is appropriate for the body operating under the Book of Discipline and the rules of the Baltimore Washington Conference. Wudisill cited 304.3 of the Discipline. Bishop Asterling stated that he was raising 304.3 for this part of the report.

Bishop Asterling asked Wunt if the candidates were examined in accordance with the Book of Discipline specifically 304.3. Wunt replied that the Board of Ordained Ministry engaged in what they deemed to be a full examination of each candidate based on the candidate's qualifications of which they were aware including 3 and Judicial Council rulings that pertained to this. The question candidates were asked was Are you faithful in marriage and celibate in singleness they reviewed information from the candidates from their local settings district superintendents and District Committees on Ministry. All of the information was included in what they deemed to be a full examination of each candidate. He felt they adhered to those criteria and in terms of their review of good standing they were not given any information on any candidate of the 2 being recommended that it was in violation of 2 02 chargeable offenses.

Wudisill asked Wunt if in light of Judicial Council Decision 1344 did the Board in faithfulness to that decision ask the candidates if they were practicing homosexuals Wunt responded no.

He said that question was not asked in that way of any of the candidates. The question they asked on examination pertained to the disciplinary question Are you faithful in marriage and celibate in singleness they did not have a provision or guidance to ask the question as Wudisill framed it of any candidate. They did not have sufficient reason to ask the question as he framed it of any candidate. No information was presented from the local settings from the District Committee on Ministry or the district superintendents or supervisors or recommender that indicated need to ask that question.

orman as ed unt if he was aware of Judicial Council uling 13 2 which is a ruling in response to the oard s action which re uires the uestion be as ed. unt said that he was aware of it.

orman as ed if the oard was aware of the policy when the decision was made and if decision 13 2 was part of the oard s decision ma ing. unt said that the information they shared was a matter of transparency and stated the oard s awareness of Judicial Council ulings.

ishop asterling had a uestion for unt. he stated that last year one person was a self avowed homose ual and as ed if that person was included in the list of candidates. unt said he did not recall the person indicating they were a self-avowed homosexual but conceded that yes based on his understanding of self avowed the person was. he bishop said if that were the case there was no need for documentation or other cases or decisions. unt said they did not re e amine the candidate and sent communication to the bishop s of ce in ctober 201 .

ishop asterling e plained that the piscopal f ce does not direct the wor of the oard of rdained Ministry when they are in session. t is not appropriate to spea to votes ta en internally as they are doing their wor . he rst opportunity to spea to the wor is when it comes to the clergy session at Annual Conference. The bishop then ruled that this part of the oard s report was out of order.

udisill re uested a brief recess for additional consultation which was not granted. aines Cirelli voiced concern about relying on something said last year for ma ing a decision this year and as ed to see the minutes from last year s Annual Conference ession to see if there was a public self-avowal.

he ev. Laura lauvelt as ed for clarity if the bishop was ruling this part of the oard s report out of order and what that means for all the candidates being recommended by the Board at this time. ishop asterling offered several alternative actions that could be ta en. he stated that she believed the Board was clear in their statement and that it was published in the MConnection newspaper. he added that she wanted to avoid as much gamesmanship as possible. The Board was clear that they were not going to examine candidates with respect to whether or not those candidates met the de nition of self avowed practicing homose uals. he uestion is whether the entire class has been fully e amined which would include whether or not any persons being brought forth as candidates meet the de nition of self avowed practicing homosexuals.

orman as ed for a ruling on a uestion of law n the basis of the policy of the oard of rdained Ministries of this Annual Conference reported on April 2018 <http://www.bwcumc.org/news-and-views/boom-revises-policy-that-addresses-homosexuality>) and con rmed by oard s chair in this Clergy session speci cally that policy s candid admission that it is not compliant with the oo of iscipline and on the basis of he oo of iscipline 04.1 04.3 and 3 .1.b. as well as numerous Judicial Council rulings e.g. s 0 88 1330 and 13 2) as the following uestions of law Must the Annual Conference exclude from its business the portions of the report of the Board of Ordained Ministries sic pertaining to the election of candidates for membership or provisional membership

ishop stated she would rule on the re uest before the end of the Clergy ession.

he ev. oberta coville retired clergy said that she was uncertain as to what options the body has.

Bishop Easterling responded that she believed the body had the right to examine the candidates for provisional and full membership. he ules Chair con rmed this.

coville as ed if the body had the right to uestion the candidates.

orman said there were two options both of which the bishop had previously stated) 1) he bishop could recess and e amine the candidates herself and report bac to the body 2) he

body has the right according to the book of discipline to ask questions related to character and to interview each candidate individually. His preference was for the bishop to do that.

Went explained that the policy was prayerfully adopted and that there was serious deliberation to clarify the values of the board and of the Annual Conference. They stand behind all 29 candidates and the recommendations. For the good of the church and of the candidates, Went suggested the Board convene and question each candidate on the homosexuality question.

Rev. Mary Kay Doty moved that the clergy session of the Baltimore Washington Conference affirm the work of the Board of Ordained Ministry and claim as a policy of the entire clergy session that we support the policy adopted by W.M. and we are completely satisfied with the thorough and full examination the Board of Ordained Ministry has made candidates undergo. The motion was seconded. Bishop Asterling said that the motion was out of order because they would be voting to codify an action that is outside the book of discipline as well as the rules of the Baltimore Washington Conference. Doty responded that the motion is in keeping with the Jurisdictional Conference of 2011. Asterling again said the motion is out of order.

A pastor asked if he heard correctly that the board was willing to meet with and examine the candidates according to the book of discipline. Bishop Asterling confirmed that it was correct. He asked if it was appropriate to make a motion to be adjourned so that the board could complete that task and meet again when the task was completed. Bishop Asterling confirmed with Went that he would fully examine the candidates in keeping with the book of discipline as well as the Judicial Council rulings. Went replied that he felt they had done a full examination but if necessary he would ask the question on human sexuality. He asked for further instruction from the bishop.

Bishop Asterling said that 33 of the book of discipline states that the annual conference is the basic body in the church and as such shall have reserved to it the right to vote on all constitutional amendments on the election of clergy and lay delegates to the general and the jurisdictional or central conferences on all matters relating to the character and conference relations of its clergy members and on the ordination of clergy and such other rights as have not been delegated to the general Conference under the Constitution. The bishop reiterated that the body has the right to examine the candidates before them for provisional and full membership within the Annual Conference.

Rev. Robert Hurmont, MC recalled parading around the entire Annual Conference and Bishop Joseph Deal asking if anyone had questions for the candidate. That was a practice of the Annual Conference. Bishop Asterling agreed and said the book of discipline gives the body the right to do what he described. He continued that for transparency sake she will not examine the candidates privately because of the controversy it would create but agreed it was the right of the body to do so.

Rev. Debbie Cott of Calvary MC in Mt. Airy raised a concern about how the candidates were prepared for being examined when for years they have been automatically sending candidates through. He questioned what they had been told as they were waiting. Bishop Asterling acknowledged that she appreciated Cott's question. He explained that people longing to become provisional or full members of the Baltimore Washington Conference have an obligation to read and to retain what is in the book of discipline and to expect examination as it is the right of the Annual Conference. The bishop said that when a committee, agency or board take actions that will have bearing and consequence on what is coming before the Conference she would think it would be incumbent upon the body to have conversations about possible consequences and discussions regarding who would be affected by those actions.

Went said they would have to think about the process. He reiterated that the ordination process is 10 years and none of the decisions or consequences are taken lightly. Bishop Asterling said that in no way was anything being said to be taken personally. He said she believed the

work was done with integrity and the best of intention. There was now a need to act upon the matters during the Annual Conference session.

The Rev. Theresa James who serves in Extension Ministry at Princeton University questioned how candidates are being rated regarding fitness for ministry besides human sexuality. She asked what the other areas of fitness are. She shared that when she was ordained no one asked her questions about her genitalia or even her work in the local church. She questioned to whom it is how are we now even as clergy colleagues ranking candidates. She asked if they were ranking credit scores financial giving physical fitness and the fitness for ministry.

Bishop replied that a full examination is considered to be psychological reports by district committees leading to profiling reports on credit checks reports on effectiveness in ministry recommendations from multiple people including people in supervisory and academic chains. The examination includes multiple facets of a person's life.

James said she understood that but was interested in the ranking system that was now happening. Bishop responded that all of the things mentioned are important and if areas need more examination more is done. She then asked if someone would be disqualified for not being physically fit or not having good credit. Homophobia and human sexuality appeared to be ranked above all else she said. She was trying to determine if there were other disqualifying factors.

Bishop Asterling cited Judicial Council ruling 1344 which states that all matters enumerated in the Book of Discipline that determine one's fitness and effectiveness for ministry are to be examined and held equally.

The Rev. Shannon Sullivan of Calvary MC Rederick said she was ordained in 2011 and no one ever asked if she was a self-avowed practicing homosexual and she was concerned about her fitness for ministry.

The Rev. Curtis Hrgott of Grace MC inagerstown asked that because there is a difference between ordained and provisional status and in anticipation of changes in 2012 could the body move a person into provisional status in anticipation that things may change next year. Bishop Asterling explained that the Book of Discipline states that individuals are not eligible for provisional status or Elders orders if they don't meet the criteria for effectiveness and fitness through character.

The Rev. Meredith Wilson Arnold of Calvary MC in Annapolis who said she transferred her credentials from the Lutheran Church three years ago after being ordained in the Lutheran Church said the questions about sexuality and marriage were asked before she was ordained.

She said that many present sat on C and M while she was transferring and she was never asked about her marriage except in her psychological exam. No one asked about her marriage or her sex life and she was concerned that they were now going to do that to 29 people. She said that if it was going to be done to them it needed to be done to all of the body in the same public manner.

Bishop Asterling said that for those who already hold credentials within the Conference unless they are provisional and coming for full Elders orders to be questioned a charge would have to be brought against them. She asked the body to refrain from making statements that did not advance the work of the session.

Bishop asked for the candidates to be brought in and advised of what was going on. Bishop Asterling said that C and M will advise them. A pastor asked for the definition of self-avowed practicing homosexual and is there any required proof of the practice? Bishop Asterling cited Judicial Council decision 1341 as offering guidance on what is proof of a self-avowed practicing homosexual. Bishop asked for a copy of the decision and Bishop referred her to the United Methodist website.

The Rev. Doug Ayes of Lexington Park MC made a motion to adjourn the clergy session so that C and M could fully examine the candidates according to the Book of Discipline. She

bishop responded that the chair was about to recess the session and as ed for ve minutes. he then announced that the session would recess until after the opening worship service ended and that she would not as the historic uestions during the worship service.

elores Martin the lay leader of the altimore ashington Conference welcomed the laity to the annual conference session and than ed them for the outstanding and faithful wor they do each day to ma e disciples and honor od in their churches and throughout their daily lives.

Clergy Session

ednesday May 30 2018 p.m.

ishop asterling reminded those assembled that only those people allowed in Clergy ession were to be there and that the bar had been established so that everyone on the lefthand side of the room were people who could be present but did not have vote.

he ev. cott huma er offered a prayer for the evening s wor . he ev. ony unt shared the wor done with the candidates during the dinner recess. e reported that members of the oard of rdained Ministry met with all the candidates. hey shared with the candidates that

they were trying to find a way to move the process forward. It was also shared with all of the candidates that as a part of full inquiry as it pertains to the Code of Discipline and Judicial Council rulings inquiries needed to be made in regards to human sexuality. She said that all candidates were given an opportunity to offer information and self-disclosure about any issues not brought up in the profiling and examination particularly as they pertain to human sexuality. No additional information was shared with the board. In the course of profiling two candidates C Morrow and Joseph Heath shared in writing that they are married to people of the same gender.

The Rev. Mark Orman of Centre MC in Forest Hill said in light of Hunt's report he moved that the two candidates be removed from consideration for this session of the clergy.

Bishop Easterling asked how he was asking the question. She responded that he was asking it as a question of law. Must this session of the clergy exclude these two candidates on the basis of Hunt's report and on the basis of the Code of Discipline 304.3 Bishop Easterling reminded those present that she typically has 30 days to rule on a question of law but she was unable to wait 30 days to rule on the information being discussed at the session. Easterling continued that the matter that was keeping them from moving forward on the report was the concern that the Board of Ordained Ministry had not done a full inquiry as some believe the Code of Discipline requires and as some Judicial Council rulings require. The board met with the candidates for commissioning and Elders orders and asked for full disclosure on the matters indicated. Two candidates had previously disclosed in writing as part of their profile that they were married to same gendered partners. In light of that fact and in light of decision 1341 by the Judicial Council and several decisions that followed and the Code of Discipline and the Baltimore-Washington Conference rules the bishop ruled that the two individuals would not be able to come forward as candidates for commissioning or ordination.

The Rev. Phil Rogaman stated that he recalled the decision indicated it was presumptive but rebuttable. She asked if it had been determined that it was a rebuttable proposal.

Bishop Easterling replied that in 1341 the word rebuttable was there. Because the two individuals disclosed their marital status the bishop said she ruled that they are not eligible for commissioning and ordination at this Annual Conference.

Rogaman responded that he did not think the Judicial Council said that if you are in a same gender marriage that it is not necessarily a self disclosure. She said that is what is rebuttable.

You have a presumption but the burden of proof is with you. She continued that it was preoccupied with physical sex and not looking at the relational realities of marriage.

Bishop Easterling responded that her ruling of law stands.

Orman moved that in light of the bishop's ruling consideration be given to combining the questions on provisional Elders and Deacons to vote on it now and move the questions ahead.

Bishop said that the motion was to move ahead with all of the candidates except the two candidates excluded.

Local pastor Laura Igweba James asked that we hold the two people in prayer.

Hunt said that the people have been under the care of the Board of Ordained Ministry and that there was nothing to preclude them from continuing in some form of candidacy. She asked if at some point the two could be invited in and prayed with the body to share with them where we are.

The Rev. Kevin Wright who serves in Tension Ministry said that he was tired of prayer and wanted to see justice. She gave the gun violence epidemic as an example. She added that if all had taken a vow to do no harm and then did harm and invited people in for prayer it would be an act to appease their consciences and he did not want to be a part of that.

The bishop said that she could appreciate that but that the prayers of the righteous availeth

much whether we appreciate it or not. God is not impotent to act upon our prayers. Bishop Asterling called upon Laura Igweba James to pray.

Bishop Asterling asked if the congregation agreed to move forward as was moved and he agreed with reluctance.

Bishop Asterling explained that it was incumbent upon the Board of Ordained Ministry in their report on the vote of the body to identify to the candidates what status that places them in. He said the Board should review the discipline and decide where candidates reside after the Clergy Session. He reminded everyone that in nine months the denomination will convene in a special session of General Conference and the law of the church may change.

The bishop stated that there was a motion before the body to vote on the remaining candidates.

The congregation clarified that the question being voted upon was on page question 28 and that they needed to work through page 12. The motion carried to continue the report from the Board of Ordained Ministry. The congregation directed the body to return to page and asked the Rev. Scott Hummer registrar for provisional members to come forward.

Megan Blanchard was approved as a Provisional Deacon (question 28.a). The following were approved as Provisional Elders (question 28.b.): Herwyn Benjamin, Scott Ostic, Patricia Underuhrman, Mi Ja Cho, Christopher Embec, Sarah Elliott, James Osnell, Lynne Humphries, Russavid Jacobson, Cathryn MacCreth, Robert Unggieri, Anna Schwartz, Emily Miley, and Matthew Tate. Hummer offered a prayer for the 2018 class of Provisional Members.

The Rev. Bonnie McCubbin of Good Shepherd MC asked for prayer for the Provisional Deacon Megan Blanchard who was invited back into the room. Hummer prayed for her.

Question 2.a. Persons continued as Provisional Members were approved. Question 2.b. and c. had no one listed. The Rev. Donald Leming Riplett was approved as a Provisional Member transferred from another conference or denomination (question 2.d).

The Rev. Al Hammer the registrar for full members came forward for question 32 parts a. and b. which listed those elected as members in full connection. The following were elected by vote of more than three fourths of the body as Deacon Leo Ates Jr. as Elder Giovanni Arroyo, Nicholas Ufano, Beth Utton, Elizabeth LeMaster, Renda Lewis, James McAvaney, Laura Lovell, Atharine Aari, Dawn Teward, Cath Wilson and for recognition of orders: Egnald Arpley. All but Arpley were listed under questions 33 and 34 which as who are ordained as Deacons and Elders. They were approved by a three fourths vote. Then they returned to the stage to the applause of the body the bishop then asked them the historic questions.

The Rev. Linda Lassbrock retired observed that anyone listed in question 32 had to be listed elsewhere and she did not see Egnald Arpley listed any place else. He asked if his name belonged in another section. The congregation responded that Arpley was being received on transfer and will be placed in question 30.

The congregation moved for approval of the report as amended. The Rev. Sarah Chiebert raised concern that during the historic questions there was laughter when the question regarding debt was asked. He reminded the body that her brother who was a Provisional Elder committed suicide. At his death he was 100,000 in debt including debt to the and his seminary. He urged the body to take seriously this question and its reaction next year.

The Rev. Sean Nyder retired requested an appeal of the bishop's most recent ruling of law because it was based on Judicial Council ruling 1341 which was unconstitutional. He said because it was an intrusion by the Judicial Council into the constitutional authority of the General Conference by redefining and adding to the definition made by the General Conference of self-avowed practicing homosexual.

ishop asterling clarified that he was not saying that the Judicial Council is saying that the Judicial Council ruling is unconstitutional. nyder said he was asking that her rule of law be reviewed by the Judicial Council because 1341 was unconstitutional. asterling added that her ruling was also based on the code of discipline but said his challenge still stood.

orman suggested that the way the appeal was phrased may be out of order because nyder is appealing the Judicial Council and the Annual Conference does not have that standing. e suggested the appeal be to the bishop's ruling and not include the Judicial Council.

nyder said that his concern was that a rationale for the appeal be included in communication with the Judicial Council and if there was a better way to do that he welcomed the suggestion. e was unsure that the appeal without the rationale would be helpful. ishop asterling asked nyder to restate the appeal. nyder felt his appeal would offer an opportunity for the Judicial Council to reconsider its decision.

orman stated that a mechanism exists for such reconsideration but it is the General Conference and the Council of Bishops and perhaps the Jurisdictional Conference and that he would have to check in the code of discipline.

After several exchanges between orman and nyder the body allowed the Conference Chancellor Thomas Barnes to address the appeal under discussion. Barnes explained that no rationale needed to be provided in the appeal. e instructed that the actions he could take was to make a motion to appeal let the body vote on it and provide whatever rationale he wanted when the time came. nyder offered the appeal without the rationale.

he Rev. Alisa Lasater Capitol Hill asked for clarification on what a yes vote and a no vote meant. Bishop Easterling explained that a yes vote would mean support of the appeal of her ruling of law. A no vote would affirm her ruling. The appeal was approved.

The Board of Ordained Ministry report was approved as amended. ishop asterling expressed concerns for the treatment of those not moved forward and asked if the Board would review the code of discipline and tell the candidates with specificity their status moving forward. The Board will review what has been done and move forward on what was heard from the body.

In response to a request by the Rev. Roberta Coville retired to communicate to clergy and the conference what the Board does and how it cares for those excluded from moving forward based on a category ishop asterling asked the Board of Ordained Ministry to provide information regarding its policy but not individual candidates or their names. By sharing the Board's policy in the current case and moving forward what happens to any candidate that does not pass clergy session will be understood.

The Board explained that the Executive Committee considered these matters as it did when it published its policy in March. They worked with Communications to message ways they think are helpful including Acts and articles. They are guided in their work by 3 of the Discipline.

The Rev. Loretta Johnson Jones Memorial asked if the Board's policy regarding asking questions on human sexuality at the C M level and M level rendered their memo void based on actions taken at the clergy session. She asked if M will issue a new policy and rescind the current policy. The Board responded that M will continue to review its policies and will review the aforementioned policy in light of the information they now have. e said that it is a fluid time and much can change. They will be working on policy during the summer.

Lasater asked for a pastoral word on what to say about the outcome of the session to the people of their congregations many of whom will be broken hearted.

ishop asterling said e would say that we are imperfect people dealing with an imperfect code of discipline guiding us through uncertain times. That we've done the best work we can do with integrity and fidelity to the code of discipline and the rule of law of the Church as it

stands right now. It doesn't mean that everybody who voted agrees with the loss of discipline and yet we are bound to uphold the loss of discipline. The bishop asked that everyone remain in prayer for the work that will be undertaken in February 2017 in St. Louis, Missouri.

He spoke on the value of prayer as a means by which we call upon almighty God to guide us and lead us into all truth.

He reminded the session that we don't have to always agree but that we can disagree with love and respect for each other as beloved children of God. The bishop asked that all stand and sing less than the times that find. The session closed with the delivery of a prayer by the bishop.

Opening Worship

Wednesday May 30, 2018 7:00 pm

The Rev. Andre Riscoe wished to rehearse a special chorus "We Are One" beneath the Cross. The Conference Choir and a soloist led the singing of the chorus several times.

Pastor Kyle Turbin asked the congregation to stand for the Processional Hymn "And We Are Yet Alive." Turbin led the greeting and then the Call to Celebration. The Conference Choir led in singing "We Are One" beneath the Cross.

As the refrain was sung, people and artifacts representing the diversity of the Church, such as miners tools, backpacks, a wheelchair, hammer, protest sign, law books, and musical instruments, were placed on columns around the altar table by laity and clergy who then gathered beneath the cross and lifted lined arms as the song concluded. Turbin led the opening Prayer that lifted up the people of the community of Ellicott City, which had recently experienced devastating flood damage.

Debra Martin, Conference Lay Leader, read Psalm 133 followed by the refrain. Our conference youth and Turbin did a dynamic reading of Ephesians 4:1 with movements.

Young mimes from St. Matthews MC in unerrant performance to the letter showed there are challenges in life and that Jesus promises a better life.

District Superintendent the Rev. Van Young sang "Beneath the Cross of Jesus" and Bishop LaTrelle Easterling joined in the last stanza. Those assembled responded with cheers and applause.

Bishop Easterling began her sermon with the impassioned words "Beneath the cross of Jesus is where Christ drew his last breath and made his deepest offering of obedience and love—the place where distinction between all flesh was erased and the forms of humanity dissipated into nothingness."

Easterling marveled at how the world lost its collective mind when Bishop Michael Curry preached on the theme of love at the recent royal wedding.

"It was a great sermon. And it was not new," she said. "We are still wrestling with the notion of love—of what it means to be in love with God, in love with Christ and with each other. With approximately 2.2 billion Christians in the world, we ought to be swimming in love," she said.

"... beloved to be Christ followers, we have to be willing to immerse ourselves in love and embrace those on the opposite political, economic and theological side—those who don't think, act, preach, pray, dance, speak or believe like us," the bishop said.

"The road God called us to travel began at the foot of the cross. But the question is: Are we capable of traveling it together? How can we do that in our present state? We travel it with humility. We travel it understanding ourselves as nothing but sinners saved by grace. ... We travel it by allowing the Holy Spirit to transform us. We travel it by embracing the meaning and message of the cross."

he bishop then declared "we better get it together Baltimore Washington Conference and act like and live like and love like and preach like and pray like and dance like we are one beneath the cross. Because it's true anyhow" the congregation erupted with applause and shouts of amen and hallelujah.

he Conference Choir sang "Hallelujah" to the Lord with extra attitude Washington soloist.

Following in the later Conference Lay Leader Flores Martin delivered the greeting and presented Abraham James McCubbin Dominguez the son of the Revs. Ronnie McCubbin and Leon Dominguez for baptism. Bishop Asterling conducted the baptism and said "they say those who don't cry when they get baptized are going to be preachers."

Chris Christie, Director of Retreat and Camping Ministries introduced the ministry that would be supported by the offering. He shared what he called the "big number" 200,000 hours—the amount of time young people will spend at the three conference camp and retreat centers between May and August. A week of camp, he explained, is out of reach for many children in spite of the generosity of individual donors, local churches and grant opportunities that allows them to provide over 10,000 in camperships each year.

he choir sang "The Lord is My Light and My Salvation" during the collection. The offertory response was "Hallelujah."

Bishop Asterling offered the Great Thanksgiving and Flores Martin read the Thanksgiving. After the response the bishop invited all to join in saying "The Lord's Prayer" in the language or tongue in which they were most comfortable.

While designated people came forward to serve the elements the Choir sang the Communion hymns "Come to the Table" and "Let's Rejoice" read together.

Bishop Asterling led the congregation in the Prayer of Thanksgiving and announced the closing song "Every Praise" and Bishop Asterling gave the benediction. All Praise the Power of Jesus' name was sung as the bishop and Cabinet and other worship participants processed out.

First Plenary Session

Thursday May 31 2018 8:30 a.m.

The Rev. Alisa Lasater led the congregation in the Call to Praise Prayer and Study. The choir led the congregation in singing "We Are One Beneath the Cross." The Rev. Tony Love, assistant to the bishop, offered greetings and introduced the Bible Study leader, the Rev. Ruth Hively, with a professor at Wesley Theological Seminary.

The topic and Scripture for the two days of Bible Study were based on the conference theme "We Are One Connected Beneath the Cross" and the conference Scripture, Ephesians 4:1-16. Smith encouraged the attendees to explore what we envision or what we imagine connection and oneness look like. He invited those present to play interpretively with the text.

Smith said the apostle Paul wrote letters that focused on a vision of locally based churches wrestling with locally based problems needing locally informed strategies for how to navigate in a way that keeps the community three prong together safe and flourishing. But Ephesians is different she said. It offers a broader pervasive and persuasive force. In it Paul redines the local. He uses metaphor to describe the church calling upon images of church as different kinds of family as the body of Christ household of God and temple of God.

Word pictures and visuals allow us to explore God in new ways she said ways that should unsettle us. The church cannot be defined by one image.

mith left the audience with the question how are two groups totally opposed to each other in culture in identity and in lifestyle and standing both connected in Christ the conundrum of connection that presbyterians is lifting up and engaging this is fundamentally a question how do we see ourselves connected to each other in space and time when our spaces historical timelines our history are diametrically opposed he concluded that presbyterians invites us into the experience of playing with what's possible.

Love invited those in attendance to view a video from Bishop Easterling.

In the video Easterling welcomed all to the 234th session of the Baltimore Washington Annual Conference and explained that she would be attending her son's high school graduation. In a video clip Bishop Easterling introduced Bishop Udarshana Evadhar resident bishop of the New England Annual Conference who would preside over the session in her absence.

At 3 a.m. Bishop Evadhar called to order the 234th session of the Baltimore Washington Conference and asked the congregation to join in singing Spirit of the Living God followed by the Rev. John Papp offering the opening prayer. Cynthia Taylor Conference Secretary read the Organizational Motion.

The Rev. Mary Kay Doty offered a motion in light of the special called General Conference in February 2017 move to amend our rules to make the deadline for Annual Conference resolutions March 2 2018. Taylor asked for a moment to consult with Communications because of the journal production schedule.

The Rev. Mark Norman Chair of the Conference Rules Committee said that the committee would not be opposed to extending the deadline.

John Ihlo pointed out that the rules state that such motions should go to the Rules Committee for consideration and that since all members were present that could be done fairly quickly and a clear recommendation made. They would consult with the Conference Lay Leader regarding when the Connectional Table meets and with Communications regarding posting to ensure that the date is sufficient for other considerations.

Bishop Evadhar checked with the maker of the motion to ensure she was in agreement with the Rules Committee meeting and coming back with a recommendation. Doty explained that she wanted the deliberations to include the need for flexibility regarding when the Connectional Table will meet and printing deadlines. She had given one month after General Conference to get resolutions written and endorsed by local congregations so they can be submitted to Annual Conference.

The bishop agreed that the committee would report back to the session following their meeting.

Rev. Lynn Lassbrock retired leader asked a question of logistics as to how it was possible with the electronic devices to know if voters were within the bar and how we address this. Taylor stated it was a matter of integrity since it was not possible to monitor.

The Organizational Motion passed with agreement that the Rules Committee would return after meeting on the proposed rule change. Bishop Evadhar called Norman to present the Rules Committee report and review of the rules of the session that he provided using the General Rules of the Church as a framework. The bishop called for a vote on the rules of the session. They were approved.

The Conference Lay Leader Flores Martin offered greetings and thanks to all of the laity of the Baltimore Washington Conference. The three district lay leaders would give this year's Laity Report. Phelia Brown Carter from the Baltimore Metropolitan District Jim Carr and Annapolis District lay leader Rosalind Pinney Washington East District lay leader.

Linda Lanagan director of Lay Servant Ministries gave the Certified Lay Ministers (CLM)

report. He noted that there are 11 CLMs in the Baltimore-Washington Conference with 24 pending recommendations by District Committees on Ordained Ministry or votes by the Conference Committee on Lay Servant Ministry. Lanagan introduced 11 individuals being honored for completing two years of course work for which each would receive a Certificate of Course Completion. He recognized and thanked the three pastors who taught and mentored the CLMs: the Revs. Loretta Johnson, Kendrick Weaver and William Arhime Jr.

Bishop Devadhar requested all clergy to stand and applaud the laity.

Bishop Devadhar then gave a presentation on the Commission on the Way Forward. He explained that it has been two years since the formation of the Commission of the Way Forward in 2011. The task force was created by the Council of Bishops (C) at the request of the General Conference to work on sections in the Book of Discipline dealing with homosexuality. C President Bruce C. Leigh said that the request approved by a vote of 428 to 34) was the first time a General Conference has ever made such a request of the Council of Bishops and that they accepted the request with humility.

The commission recently completed its work, Bishop Devadhar said, and the C said in May that the Council is recommending the new Church Plan to the 2012 special session of General Conference. The C is presenting only one plan; other plans will be presented for information only.

Devadhar said that the bishops are committed to lead the effort to remain a united church and asked the General Conference to affirm their own commitment to maintaining and strengthening the unity of the United Methodist Church. The bishops have called for a time of prayer by all.

The recommendation adopted by the C reflects the wide diversity of theological perspectives and the global nature of the UMC as the best way forward of our future as a denomination.

The full report translated in 11 languages is expected to be released by July 8, the submission deadline for petitions to the special session of General Conference.

Bishop Devadhar recommended a book by Bishop C. Andrew Doyle of the Episcopal Church in the Diocese of California. Facing a similar split in the church a few years ago on the subject of homosexuality, Bishop Doyle's book, "Unity in Mission," was read throughout his diocese. Not a single church left the denomination.

Friends we lived until 12 without restrictive language in our Book of Discipline, Bishop Devadhar said, making it clear he was speaking for himself. There are problems in our world—immigration and drug issues and others. The church should be on the street to fight and be a witness. The bishop concluded his remarks calling for unity with justice so that every child of God can claim the United Methodist Church as his or her home.

Bishop Devadhar welcomed Bishop Cynthia Pierro Arvey, bishop of the Louisiana Annual Conference, as the preacher for ordination. He encouraged the body to focus on mission to make disciples of Jesus Christ for the transformation of the world.

Members also celebrated the faithful support of Africa University (AU). James Alley, AU Associate Vice Chancellor for Institutional Advancement, reported that 100 people would graduate from AU next week, bringing the total to more than 1,000 people. On stage with Alley was the Rev. Lloyd Collins, AU development director in Fulton, Ga., and Charlie Moore, who serves on the AU Board of Directors and the AU Advisory Development Committee and on the General Board of Higher Education and Ministry Investment Committee. Alley presented a banner for 100 percent giving to the Baltimore-Washington Conference for giving \$100 to AU.

Since 2003, 3 new worshipping communities have started through these initiatives in 13 locations. M presented the Baltimore Washington Conference with three stewardship awards for being among the top 10 supporters of health initiatives, missionaries and disaster response.

Bishop Evadhar said that the congregation stand and sing the theology in recognition of its giving.

Next was a video from the Baltimore Washington Conference United Methodist Women (M) explaining the purpose and mission of the M and acknowledging the 100th Anniversary. The video presented the four M focus areas: Maternal and Child Health, Climate Justice, Mass Incarceration, the School to Prison Pipeline, and the Charter for Racial Justice. M districts held 400 sessions on mass incarceration in the church and local communities. Church and Society and the CCM held its annual Legislative Advocacy Day and Mission and youth school will be held in July.

Bishop Asterling announced that in response to a request for a detailed agenda it could be found on the ALP C website and was being updated on the app. Friday's agenda was also in the MConnection daily.

Christie Latona, Director of Connectional Ministries, introduced her presentation with a video, Connecting the Dots. The video outlined the primary ministries of the Baltimore Washington Conference and how they connect us with one another, our communities, God and our world. If we are not connected to Jesus, none of it works, she said.

Over the past year, the Conference worked to develop a new way of organizing that will allow for a more efficient and more faithful connectional system, reported Latona, who began as the CM in July 2017. During the year, she held several listening sessions and led efforts to create a structure that empowers the work of the Conference's skilled servant workers to make disciples of Jesus Christ for the transformation of the world.

From this listening, we have major networks or areas of work emerged: Leadership Development, New Faith Impressions, Young People's Ministry, Advocacy and Action, and Abundant Health. The full report of Connectional Ministries is in the Journal Reports.

During the Connectional Ministries report, several awards were presented.

The Harry Enman Evangelism Award that honors United Methodists in each conference whose exceptional ministry of evangelism brings people into a life-transforming relationship with Jesus Christ. The youth winner Alexander Pencer, the clergy winner Rev. Timothy Arner, Martin, and the laity winner Jacob Deal were announced.

The Youth Worker of the Year Award winner, Sharon Milton of Morry MC in Washington, D.C. and the Young Adult Leader of the Year Award to Hannah Callihan and Achary Armacost, both of Grace MC in Hampstead.

The Advocacy and Action Award of \$1,000 to Morry MC in Washington, D.C. for its work in advocating to transform systems that disenfranchise, marginalize and oppress. The nominator said, in addition to building affordable housing, worshipping with those who are

marginalized providing J Clinics for immigrants and campaigning and working to change systems which oppress everywhere there is in justice. Memory has been present and spoken out against it. It is a trusted voice for those who are not heard and standing in unity for those experiencing in justice. Rev. Joe Daniels and two congregants LaMar Wilson and Chris Schwartz accepted the award.

The Abundant Health Award that is given to a faith community that exemplifies the fostering of spiritual, physical and mental health for all and promotes an understanding of the interconnectedness of all aspects of health. There was a tie. The recipients of the award that includes \$1,000 to reinvest in ministry were: Dr. John S. McShannon, primary care and behavioral health center Adullum Community Healthcare Center located within the church in an underserved part of Baltimore. Dr. MC in Port Washington is engaged in domestic violence intimate partner abuse prevention, nutrition and wellness mission trips for aid and relief, community services and engagement including an Alzheimer's support group, worship services and bible studies in a local nursing home and assisted living facility, and a newly formed mental health ministry including an annual mental health fair.

Latona concluded saying that God is calling the people of the Baltimore-Washington Conference to be change makers doing skilled servant work. Bishop Asterling thanked the Connectional Ministries area for all the work they are doing for all the new initiatives and for celebrating ministries that the conference wants to see strengthened and emulated.

Bishop Asterling then welcomed Rev. Jim Miller who gave the episcopacy report. He shared the hope he receives in their conversations with the bishop and shared that with grace she has listened, dialogued and interacted with many throughout the annual conference. He reminded those assembled of the countless times following traumatic events in our world the bishop has issued statements of comfort and also challenge. He calls us to prayer and action and to be a voice and presence that offers hope and guidance to the community. He concluded his presentation by inviting Rev. Marion Asterling and the bishop to join them for the presentation of a gift to the bishop's spouse. The bishop expressed her thanks for the committee for their prayers and for helping to make this our home.

Avid Choeller, CCA Business Data Analyst, gave detailed instructions on using the voting units, the voting cards and voting privileges. He assured the members that the conference has used the vendor for a number of years and has never had concerns regarding the accuracy and quality of the equipment nor regarding their procedures. The majority of concerns have been traced back to user error or the feedback shown on the screen. He thanked the vendor for its service.

Bishop Asterling then moved to the Constitutional Amendment that was voted on at last year's annual conference and that needed to be voted upon again because of an error in the text. The conference secretary read the corrected amendment.

Rev. Marchaefer, Chaplain American University, rose to raise a point of information clarifying the text being voted upon. Bishop Asterling clarified the meaning of a yes vote would be in support of the amendment and a no vote would mean not being in support of the amendment.

Rev. Maidstone Mulenga, serving at the Council of Bishops, spoke in support of the amendment explaining that the amendment adds inclusiveness for gender.

Rev. Shannon Sullivan, associate at Calvary in Frederick, in support of the amendment shared that after the amendment failed to pass last year a group of United Methodist young clergywomen wrote a letter expressing their hurt over a 1,000 United Methodist women throughout the world including every conference in the United States signed it. He wanted to let the annual conference know how important the amendment is to women and urge support of it.

Matthew Tate, local pastor from Emmanuel Charge (untingtown), rose with a question

regarding delaying the vote until after ordination so those being made Full Elders and Deacons could vote because every vote counts in the global church.

Bishop Easterling responded that the vote could be delayed. It was stated that the question had been called. Jen Ihlo rose with a point of order because there were not two speeches for and against so the question could not be called. He made a motion to postpone the vote on the constitutional amendment until after ordination. The motion to delay the vote passed.

The bishop announced the recognition of the retirees who came to the stage to applause and cheers from those in attendance. He recounted the innumerable ways the retirees had dedicated their lives to being in ministry and acknowledged that only God knows the extent of their ministries and the people they touched.

Worship Chair of the Board of Ordained Ministry gave the Board of Ordained Ministry report. He offered appreciation to the bishop Debbie Albrecht, John Papp and the 4 members of the Board.

Provisional member registrar Rev. Scott Chumaer introduced the person being recommended for commissioning as a deacon and the 14 candidates being commissioned as elders. Rev. Al Hammer registrar for full membership and ordination presented the 12 people to be ordained in full connection, one as a deacon and 11 as elders.

Bishop Easterling asked the historic questions of the candidates for full membership.

Beth Sutton Middletown MC requested a moment of personal privilege. Joined at the microphone by eight others she read a statement on behalf of the group that said while they were honored and privileged to be elected as deacons and elders in full connection or commissioned they were deeply grieved that their LGBTQ+ colleagues who also have calls on their lives will be excluded. He pledged the commitment of those surrounding her to stand with those who had been rejected with their presence and vote. Inspired by the Holy Spirit she said they stood for inclusion and for the end of exclusion awaiting the time when the United Methodist Church embraces the fullness of every person's gifts.

Bishop Easterling requested Rev. John Papp to pray for this difficult and unfortunate moment in the life of the conference and the life of the church.

Bishop Easterling welcomed C covenant partners Bishop Eung-o Choi of the South Conference of the Korean Methodist Church and a visiting delegation who brought greetings from South Korea. District superintendent the J. J. Par served as translator. Bishop Choi said that whenever he comes to the U.S. his heart is on Korea. The Korean Methodist church has 1. million members. He introduced his wife Rev. Lee and his youngest son. Gifts were exchanged. Bishop Choi offered grace for lunch.

Al Hammer, Registrar for all Members, read the names of those to be ordained (deacon) Leo Bates Jr. (Elders) Giovanni Arroyo, Nicholas Michael Bufano, Elizabeth Ann LeMaster, Brenda Lee Lewis, James David McAvaney, Laura Manny Orvell, Atharine Ann Aarion, Dawn Teewart, Heath Ric Wilson and to recognize orders for Reginald Tarpley.

Jim Carr, District Lay Leader, read the scripture, Ephesians 4:1.

Bishop Cynthia Pierro, Arvey of the Louisiana Area, preached. She used images of maps, map making, the North Star and the Lewis and Clark Expedition. There may be apps for maps, but sometime you just need one that you can hold in your hand and see where you are relative to where you are going, she said.

Early navigators used the North Star for guidance. It was simple and constant. The North Star stays fixed in the sky, she said. In our lives of faith, Bishop Arvey said, we need to remember what our center is, our mission, she said. That is our North Star.

She said the clergy and laity are called by our baptism to be transformers. We are resurrection people, she said. God can do so much more than any of us could ever see or imagine.

She reminded all to keep their eyes on the mission. Don't take your eyes off it for even a millisecond, she said. You might be the next Lewis and Clark, you might be the next map maker. Start telling a different kind of story so that a different kind of future might unfold.

Bishop Asterling led the Examination and Commissioning of the Provisional Candidates. Family members and friends stood in affirmation as the bishop and the conference lay leader laid hands on each candidate.

For the offering of seeds of security, an initiative that offers support to victims of domestic violence, was the recipient.

Bishop Asterling examined the candidate for ordination as a deacon, Leo Bates Jr., then ordained him as Bishops Evadhar and Arvey and his sponsors laid hands on him.

The bishop then led the Examination of the Full Member Elder Candidates as a group. Reginald Tarpley had his orders recognized as a Full Elder in the United Methodist Church.

Each candidate for ordination was ordained as an Elder as Bishop Asterling, Bishop Arvey, Bishop Evadhar and their sponsors laid hands upon each of them. Each was also draped with a stole. After the last candidate was ordained, the congregation affirmed and celebrated the new Elders.

Bishop Asterling issued an invitation to hear God's Call to Ordained Ministry and asked those who wanted to explore that call to come forward. Pastors were waiting to pray with them and provide guidance. He invited those who had responded to God's call and taking steps to also come forward.

Bishop Asterling prayed a Prayer for Discernment. The service ended with the recessional hymn, Precious Name.

Bible Study

Friday June 1 2018 8 a.m.

The community gathered for the second morning Bible study.

The Rev. Tony Love re-introduced Rev. Beverly Smith leading the study emphasizing our oneness using Ephesians 4:1-11.

To survive and thrive in today's culture she said we must listen to Ephesians and go bigger than our here and now. Ephesians transcends a single contextual space and a single contextual moment in time. The expansive vision of Ephesians is not just there for comfort. It is there to challenge.

No single interpretive landscape is sufficient unto itself to illustrate God's relationship between God and God's people and God's people with one another she said.

Ephesians offers a clarion call of what it means to adopt multiple metaphors and be bigger.

Third Plenary Session

Commission on a Way Forward

The Rev. Tom Erlin lead pastor of Morris MC in Merndon Pa. made an hour long presentation on the just completed work of the Commission on a Way Forward of which he is a member.

The issues before the body were stated as 1) disagreement about paragraph 1.1.g of the Book of Discipline 2) same sex marriage and 3) ordination of self-avowed practicing homosexual persons. Other important issues were 1) our ability to reach LGBTQ persons and include them and their allies in the life of the church 2) disagreement on the interpretation of scripture related to same sex relationships and 3) People leaving our churches both progressive people and traditional people.

He explained that the purpose of the Commission was that to get to a different place and a place of peace we need to use a different procedure and process. The Commission has 32 people from 15 nations 11 states including all jurisdictions men and women straight and gay lay leaders deacons and bishops. It included a full span of generations and across the ideological spectrum.

The report the Commission issued he said was a different kind of report.

It is really a product of Christian conversation. People were sometimes angry and upset but rarely left the table or stopped contributing. He said the 32 people showed up unflinchingly prepared.

The Commission met nine times over 11 months. The work and relationships were a product of conversation study prayer listening transparency and trust he said. They looked at and studied the Bible together prayed at every session celebrated the sacrament of Holy Communion and worshipped together. Erlin said it was one of the most spiritual experiences he has ever had in the United Methodist Church.

The work of the Commission was what are we going to do for all of us all 12 million of us around the world.

Commission members talked to other denominations that had already done the work including the Anglican Communion.

It would be a lot easier if we were only doing this in the United States he said or in the Baltimore Washington Conference. But we are a connectional church we are a global church.

The choice for the 2018 special session Erlin said is which mission the church wants to

pursue the public mission to transform the world) or the private mission to care for our members). Most MC clergy in the nited tates have not told their church that there is a Commission because they don t want to tal about it they are pursuing a vision to ma e their members comfortable.

he Council of ishops recommend the ne Church Plan. he plan removed the incompatibility language in the oo of iscipline and maintains the current structure of he nited Methodist Church. erlin also gave an overview of the other plans and the distinctions between the plans.

he uestion before the MC is ho will we be n what form of faith community ith what unity ee ing to do ministry with whom elegates will be deciding this.

Stewardship Report

Paul ichelberger easurer introduced the presentation of the fourewardship eports.

ev. Jac ay chair of the Conference oard of Pensions and ealth ene ts was ill and ev. Cary James Jr. lled in. James presented the good news that there will be no rate changes for health insurance costs for participants or the local church in 201 . James also emphasized that he nited Methodist Church does not favor opting out of ocial ecurity because it would mean also opting out of the Clergy etiree Medical ene ts and the disability program Comprehensive Protection Plan. etiree medical bene ts are now fully funded.

The bishop proposed that going forward that debates for and against be limited to two minutes. A motion to do so was made and seconded and approved by the body.

he oard of Pension report was approved.

Phil Potter lay member from ational MC and chair of the Conference Council on inance and Administration C A) presented the 201 dget and the C A recommendations. e presented a balanced 201 dget with virtually no increase in apportionment ncome and a reduction in the benevolence factor ma ing this the seventh budget in a row with apportionment ncome ept level at between 14.1 and 14.3 million dollars.

Potter said the collection rate for mission shares in 201 apportionment) was 2.4 percent a record high beating the budget estimate of 2 percent for the second year in a row and continuous improvement for ve straight years.

he 201 dget will follow the alignment with the ve new iscipliship Ministry Areas and supports the re uest of more than 180 000 in e ternal funding for those ministries. he 201 dget also includes a is Management Plan to address future ris s to the budget due to un nown impact on our connection from the ew a ill and the 201 ecial ession on the ay orward.

Potter moved for acceptance of the 201 dget and the C A ecommendations.

Potter said that ill rwn rustee Chair may want to address what could happen with church property. e did not anticipate any additional e penses beyond their planning but ac nnowledged there may be some. he is Management Plan would allow for a reduction to the budget of million a year for four years a roughly 0 reduction from a 14 million apportionment level. CFA felt that would allow them to manage whatever expenses might occur. e added that the reserve of 2.4 million at a 1 level would ta e care of most of the initial problems but there would be other cuts and expenses that could be reduced beyond that. The body overwhelmingly approved the CFA recommendations.

ev. Jim Johnson Chair of the Commission on uitable Compensation recommended the minimum salary for 201 be increased by 2 or 8 3 to 44 012 and that the housing allowance be increased by 2 or 3 to 20 2 3.

n response to a uestion ichelberger e plained that 10 is not the way clergy get paid they get paid with 2. e can help those operating under 10 to change to 2 both clergy and their nancial staff at church.

The body approved the Equitable Compensation report and recommendations.

Trustee Report

ill rwn Chair of the oard of rustees announced that the conference received an undesignated be uest of 4 000 from the lassman state and was as ing the annual conference to designate the be uest for three areas new faith e pressions clergy ta ing sabbaticals and leaves for self care and holistic well being and facility upgrades to the conference archives located at Lovely Lane Museum.

Bishop Easterling learned that the conference is above average in all the good indicators and also above average in what appears in some instances to be clergy stress. The conference is loo ing for ways for clergy to ta e rest and sabbatical to care for their mental and physical health as well.

rown explained that the trustees will work with Paul Michelberger and the Cabinet to put a plan together. Trustees will also be working with the Commission on Archives and History and the new staff person for Fresh Expressions in outlining this. The recommendation carried.

Rittany Wright from the General Commission on Finance and Administration presented a plan to Bishop LaRelle Asterling, Phil Potter and Paul Michelberger for the C paying 100 percent apportionments in 2017. This is the conference's 20th year of doing so.

aylor conference secretary reported that she received a properly submitted petition to remove the Connectional Ministries report from the Consent Calendar. A vote would be required by the body to do so. The body approved the Consent Calendar.

The bishop then directed the discussion to the removed Connectional Ministries report. Norman offered an amendment to the report that the Rules Committee shall be consulted on all proposed changes to the structure of the Baltimore Washington Annual Conference during Conference year 2018-2019 and prior to submission of any such changes for consideration by the Annual Conference.

At last year's Connectional table, Christie Latona gave a presentation on the realignment that was being considered and being taken on by her office. The Rules Committee voted per rule 410.1.J.33 that it should be given input into the proposed realignment. A week before the Annual Conference session, the Rules Committee voted non-concurrence with the proposed realignment.

Ann Brown Ireland foundry feels that she is lacking details but the concepts are exciting. She stated that the five areas required time and greater engagement to implement effectively. Her intent was to move to table the report for a year.

Norman accepted Ireland's suggestion to add the Discipleship Council and Connectional table to his motion.

In a speech against the event, Ianie Evell LaRale MC said his involvement with Latona, Cole, Wilson and the rest of the group saw the conference more active and engaged than ever before. The local church was engaged and the process represents a more grassroots approach instead of a top-down approach to get things done.

Carol Davis Asbury spoke against the amendment, citing extensive grassroots approval and saying that the conference needed to move forward with the plan.

Ev. Liezer Alentin Castanon rightly questioned the authority of the Rules Committee, which he thought was for the operation of the Annual Conference session. He said that he did not understand how Rules could insert itself into something that was ministry-based.

Jen Hloombarton noted that the Rules Committee had participated in structure decisions in the past, including presenting resolutions on the Connectional table membership in 2014 and the membership of the Discipleship Council in 2013.

After more discussion, Latona, director of Connectional Ministries, explained that this is a proposal and is in testing mode—testing and exploring ideas and theories. It is being brought to the relevant bodies along the way. They will be doing focus groups across the regions so that people will have clarity and input into what the new structure might look like.

Ev. John Papp stressed that the Connectional Ministries proposal was already brought to the Connectional Table and other bodies during the months leading up to Annual Conference.

Bishop Asterling asked why Rules would be giving concurrence or non-concurrence in a proposal regarding structure.

Jen Hloombarton asked a question relating to the nominating Committee report. Since none of the committees populating the Connectional table have been maintained while this is a test, it

appears to effectively eliminate the Connectional Table by not populating the very committees that make up the Connectional Table.

Latona said a lot of the committees are still in existence and can be populated out of the table that is formed from the five new areas of ministry. These five new areas of the proposed structure care for the same ministries and more than those named in the Connectional Table.

After conversation on this issue Marjorie Moran read the amendment.

The bishop said that consultation does not mean approval and that the bodies in the amendment would have an opportunity to vote concurrence or non-concurrence going forward. The Annual Conference has the opportunity to approve or not approve what comes before it.

The amendment was voted on and passed.

The CM then reviewed the Connectional Ministries report. (The report is in the reports section of the 2018 Journal.)

In 2017 the structure changes will come before the Annual Conference session.

Latona Atkinson Christy stated as to the report. Latona said it was on the app and in the pre-con material.

Latona clarified voting on the discipleship report. Moran spoke in favor of the report. Ann Brown Ireland spoke against the report. She believes there has not been sufficient time to digest it. She suggested taking the year to bring the broad concepts into the committees to work to rejuvenate leadership at the conference level and energize the committees. She is concerned with just dismantling groups and following rules such as seven members per committee and concerns regarding diversity. She suggested study time to perfect this would be wise.

Latona Cottrell MC has been a conversation partner throughout the process and she serves on the discipleship Council. She spoke in favor of moving forward. Sometimes in the life of the church there is a need to try something new and see if it works she said.

The Connectional Ministries report was voted on and passed.

The body agreed to reduce the time to speak to two minutes with two speeches for and against.

Nominations Report

Latona Ford Chairperson gave the Nominations Committee report. This year an online interest form was developed to gather information from those who desire to serve on conference committees and to date over 100 forms have been received. A transition plan for incoming and outgoing chairpersons was developed to ensure a smooth transition. An orientation will be held this year. (See the Nominations report in the 2018 Journal.)

Ford then presented the Leadership Report explaining that some positions were left open to allow more time to find the best person for the position and requested a suspension of the rule limiting agencies to seven members for a period of one year to involve more persons to become involved.

Ann Brown Ireland MC and Trustee Chair informed Ford that Trustee Board members Heidi Agostini and David Robinson had tendered their resignations.

Ann Brown Ireland stated she was unclear on how to move forward in the next year with so many openings and committees unpopulated. Ford responded that all of the committees will be populated but in a different way through the boards and that no organization was eliminated.

Ireland stated that she spoke specifically to Church and Society and Children. Ford responded that those areas would be cared for under the Advocacy and Action Board.

A question was asked about where the work of evangelism was being done. Latona responded

that ew aith pressions ta es on that wor . ach committee will assign one person for that wor .

A vote passed to suspend the rules to allow more than seven members on a committee. The Nominations Report as amended was approved.

Two years ago the resolution was presented. It was referred to the Conference Chancellor who reviewed it and made inputs. he policy was to protect and guide local churches clergy families and conference leadership in the event of a death of an active clergy person.

ev. eb cott presented the Love ithout uali cation esolution. cott agreed to incorporate the language of the amendment and it passed.

cott presented the ay orward Accountability Covenant esolution a way to create a platform for conversations on the ay orward in the local church. ev. Phil ogaman retired spo e in favor of the spirit of the motion but wanted to submit a substitution that may be more timely given what has happen in the Council of Bishops. The substitute was:

hereas there are lesbian and gay members within and beyond our churches who manifest the gifts graces and moral character of faithful Christians therefore the altimore ashington Conference urges the pecial ession of the eneral Conference to delete all provisions of the oo of iscipline that prohibit clergy from conducting same gender weddings and furthermore to delete the e clusion of uali ed gay and lesbian persons of good character from ordination and appointment. And therefore we welcome leadership of the Council of Bishops in proposing the ne Church Plan to the 201 pecial ession of the eneral Conference.

It was determined that the resolutions were renumbered and that the amendment was for the

the resolution Call for full inclusion.

There was considerable discussion about amendment with two speeches for and two against. The substitution did not pass.

The original resolution that was aspirational not policy and called for conversations to begin now passed.

Cott presented the final resolution Call for full inclusion. He spoke of those who continue to be marginalized and that the resolution was an attempt to draw the circle wider.

Logan briefly recapped what he had said before. He felt it was important going forward to register the conference's support for the bishops and the One Church Plan. He read his substitution (see above).

Thomas Barnes member at large and Conference Chancellor said it was vitally important for the conference to be clearly in support of the One Church model even if it is not the preference.

Rev. Loretta Johnson Jones Memorial spoke against the amendment because she is very concerned that taking a stand would be better after some of the conversations among churches.

Ray Cecil foundry spoke in support of Logan's proposal. He shared his struggles with being a gay Baptist minister and the salvation he found at foundry MC. He wanted the conference to express that we are loved we are accepted and we are welcomed.

Patricia Pittner Flintstone spoke against the substitute because she is afraid. She is from a conservative place her church is very conservative. She has had conversations with her congregations and she knows her churches want out. She does not see how to keep that from happening. She is against the substitute language.

Ken W lay delegate to General Conference asked if Cott was amenable to the substitute. He agreed and offered to read it again. The motion carried.

Time was not sufficient to have the service of Appointments so Bishop Asterling asked all persons newly appointed this year to stand along with their district superintendents. The bishop declared that all appointments as they were published were read for the 2018-2019 conference year and then offered a prayer.

The conference secretary read the closing motion.

In requesting a personal moment of privilege Rev. Giovanni Arroyo made the following statement stand before this Annual Conference as the Chair of Hispanic/Latino Ministries and as a member of United Methodist Inter Agency Immigration Task Force where our episcopal leader is also a member. The United Methodist Church has a clear statement on our theological understanding of welcoming the immigrants and the importance of family unification. The reality being lived out by immigrant brothers and sisters demands that we lift our voice to cry out against the policies that are a direct contradiction to our theological understanding as United Methodist and how we should live in community with strangers among us. I would invite our bishop to host a town hall meeting on immigration with the support of the Conference Committee of Latino Ministries and other related committees as well as to write a letter to congress the Department of Homeland Security and the White House stating our concern with the current practices toward immigrants and our clear stand as a denomination to welcoming the stranger in our midst. Bishop Asterling stated that she received the statement and agreed to hold such a town hall.

The bishop concluded the conference with the words Just give God the thanks for the privilege of serving as your episcopal servant. God be the glory

Board of Ordained Ministry Report to the Executive Session of the Baltimore-Washington Conference

PART II PERTAINING TO ORDAINED AND LICENSED CLERGY

(Note: A (v) notation following a question in this section signifies that the action or election requires a majority vote of the clergy session of the Annual Conference. If an action requires more than a simple majority, the notation (v 2/3) or (v 3/4) signifies that a two-thirds or three-fourths majority vote is required. Indicate credential of persons in Part II: FD, FE, PD, PE, and AM when requested.)

17. Are all the clergy members of the conference blameless in their life and official administration (¶¶604.4, 605.7)?

Response from the Dean and the Cabinet.

Conrad O. Link

The question before us as an Executive session is: "are all the clergy members of the conference blameless in their life and official administration?"

Every year, for 38 years, I have heard this question read and answered by the Dean of the Cabinet who offered the official response. When I would hear this question, early in my pastoral ministry, I was hoping and praying that I could live up to the ideals it reflected. I was glad I would never have to answer this question in front of all the clergy and my colleagues. What would I say?

When I got into my middle career, when things were rolling along for me in ministry, I usually just sat quietly, maybe joked with a few colleagues about some of the behaviors and rumors we all heard about various colleagues.

But now, I am Dean of the Baltimore-Washington Conference Cabinet. This is a tremendous honor, but with it comes this question and I am compelled to answer.

The best way to answer this question is with a simple: "No." *All* clergy are not blameless in their life and, *all* clergy are not effective or sufficient in their official administration."

Each clergy person -- ordained, commissioned, licensed, and credentialed -- in this Annual Conference is called to the highest ideals of servant leadership as they proclaim the Gospel. We are called to live a life worthy of the Gospel, modeling to those within the faith community and those in the world a life dedicated to the highest standard of morality, integrity, service, obedience, and faith that allows others to see Christ in us. As an old Sunday school teacher said: "You might be the only Bible someone might read" (William Toms).

It is quite possible that some of our clergy/pastors have forgotten their call, not just to preach but to live a life that becomes the Gospel. Increased issues of immorality, lack of integrity, disobedience to authority, and financial mismanagement are becoming all too common. Some of our colleagues have elevated their personal agendas over the agenda of Christ and the Church. Clergy immaturity seems to be on the rise as self-centeredness and self-aggrandizement becomes a mode of operation that works contrary to building the Kingdom of God.

Colleagues: the majority of our clergy are doing well. Perhaps over-stressed, worn out and tired, but faithful to the call. Perhaps some colleagues get side tracked from time to time but, through prayer and proclamation, they return and continue their faith journey. Perhaps some of us, you and I, get tired of the pettiness and silliness that happens in the church. Then, we remember that "there, but for the grace of God go I." We remember we are all children of God. We reclaim grace.

Colleagues: Let it be known that the clergy and pastors of the Baltimore-Washington Conference are not perfect, but they are seeking to be better in the pursuit of faithfulness in word, order, sacrament, service, and witness. Let it be known that these same clergy seek to honor their call by supporting the church, with all their prayers, presence, gifts, service and witness. Let it be known that the clergy and pastors of this historic conference are not perfect, but are forgiven, and that with humility we offer the same forgiveness that we have received to others we meet along the way.

As we focus on the idea of servant leadership, know that your Cabinet stands ready to help and eager to hear the issues and work with you to overcome troubles and anxieties. Together, let us embrace the covenant that has held us throughout the generations, "I am no longer my own, but God's. ... May we ...freely and fully surrender all things to God's glory and service."

And now, O wonderful and holy God, Creator, Redeemer, and Sustainer, you are ours and we are yours. May it be so. Amen.

VI. REPORTS

Discipleship Ministries

meetings in the name of the one who makes us one. In the midst of bad news and uncertain times there is no better place to be than beneath the cross. It is here that healing and common ground is found. It is here where our hope rises to meet God's promises. It is here that we experience Oneness in the midst of our differences.

Our United Methodist heritage includes a particular understanding of discipleship beneath the cross formed by the both and nature of our theology of grace Loving God and Neighbor through Communal and Individual practices. As United Methodists we understand that in order to deepen in discipleship

one must practice the means of grace which forms us to a particular definition of discipleship *To witness to Jesus Christ in the world, and to follow his teachings through acts of compassion, justice, worship, and devotion under the guidance of the Holy Spirit.*

Loving God (Works of Piety)

Individual Practices Acts of devotion) reading meditating and studying the scriptures prayer fasting regularly attending worship healthy living and sharing our faith with others.

Communal Practices Acts of worship) regularly share in the

sacraments Christian conferencing accountability to one another) and Bible study.

Loving Neighbor (Works of Mercy)

Individual Practices Acts of Compassion) doing good works visiting the sick visiting those in prison feeding the hungry and giving generously to the needs of others.

Communal Practices Acts of Justice) seeing justice ending oppression and discrimination and addressing the needs of the poor.

This holistic work of forming disciples in the Wesleyan spirit happens in local faith communities. This isn't a checklist of activities but rather should be a shared understanding of what it looks like to mature as a disciple of Jesus along these dimensions and how the church supports that maturation process.

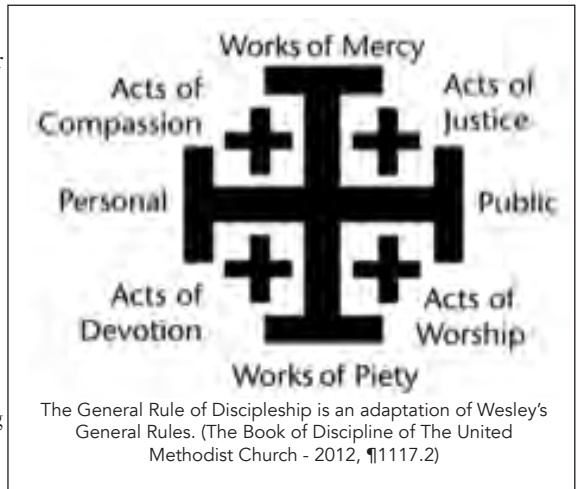

Resources and examples may be found at <http://www.bwcumc.org/discipleship/development/>.

Staff Changes

On July 1 2017 Rodney Mothers became the new Director of Leadership and Congregational Development and Christie Latona became the new Director of Connectional Ministries.

On July 1 2018 we will be joined by a Director of New Faith Expressions. Together we collaborate to deepen discipleship develop vibrant communities of faith and dare persons to co create with God for the flourishing of all.

Connectional Ministries staff portfolios have been refocused on helping us make collective progress on abundant health advocacy and action young people's ministries and a variety of projects that deepen discipleship develop leaders promote missional innovation and build relationships and partnerships so that more people more diverse people and more younger people love as Jesus loves. Each staff person is responsible for inspiring and equipping servant leaders and local faith communities to better develop disciples of Jesus Christ for the

transformation of the world.

Missional Innovation

Tools

Connectional Ministries staff and servant leaders are available to facilitate the use of these tools for districts and or clusters of churches.

- Mission Possible is a game with a purpose to teach design thinking for social change. Design thinking is an iterative process of building measuring testing and improving that is helpful in situations where solutions need to be developed for things that aren't already known to work. After playing a round there are templates available for leaders congregations to develop their own plan using the same proven thought process.
- Food Runches is a series of conversations that create community across lines of difference using kingdom principles while eating out.

Current Projects

- The Change Makers Project supports young adults in hearing God's call to innovative ministry through mentoring missional immersions entrepreneurial community engagement and vocational conversations. Learn more at <https://www.thechangemakersproject.com>.
- Hatch A Vision is a 48 hour retreat where teams come to incubate their seed of an idea into a fully hatched pitchable plan. There is a huge distance between a good idea and a fully formed fundable plan. This is a proven process for covering that divide in a short amount of time. We will be holding the first of these Nov. 8-10 2018.

Evaluation of Existing Discipleship Agencies

In addition to improving the nominations process the CM was tasked with evaluating the state of our existing discipleship committees and to discern opportunities for streamlining and improving our mission critical tasks. As the CM began interviewing chair persons there were some agencies that may simply need re-focusing and others that were ready for re-imagining. A vast majority of persons interviewed:

- stated that the current approach isn't working for a variety of reasons
- wanted to have impact and were open to trying new ways of being in ministry together saw value in ongoing collaboration
- named the large chasm between the agencies districts and local churches and that a lack of organizing at the district level was a significant obstacle to achieving greater impact.

As of July 2018 only two of the 1 were fully functional (making progress toward fulfilling their purpose) half only met to write the report for AC and the remainder were meeting but not fully functional (e.g. meeting but little action impact not full participation etc.) Some major committees hadn't been functional for years. This was due to several factors which are best addressed within a context of a simplified purpose driven structure.

Refocusing and Realignment Work

Following the interviews with discipleship Agency chairs the following steps were taken

1. Consulted the Board of Discipline and verified that it gives an annual conference permission to reconfigure its agencies as long as certain agencies are maintained (10).
2. Met with other Annual Conferences who were in the process of streamlining their agencies or who had done so recently. (We are not alone in seeing better ways of doing ministry together.)
3. Refocused on our denominational mission and foci. Since 200 the Council of Bishops the Connectional Table and the general program agencies have been affirming and strengthening United Methodist missional priorities in the four Areas of Focus (underlined below). These broad areas have emerged from thriving ministries across the church to represent the key connectional ministries that lead to thriving faith communities

as well as thriving conference wide and general church ministries. In 2011 the MC embraced specific goals in each of the four areas and are working together to accomplish great things for God.

4. brought the findings and ideas for consolidating the non-required agencies down to the network's to the Nominations Committee Discipleship Council and Connectional table to explore further. Connectional table leaders helped check initial thinking about which agencies would best fit in which area by checking the functions from the pool of discipline against the purpose of the network. The Discipleship Council assigned four listening partners to accompany the CM in her work of listening and discerning. Ms. Carol Davis, Rev. Bonnie Cott, Mr. Moorosi Muenda and Rev. Teve Larsen.
5. Convened stakeholders to dream and input on three of the network's most impacted by the change: Young People's Ministry, Advocacy Action and Abundant Health. Changes to the area name, purpose statement, the make-up of the new agency and initial approaches to reorganizing have been made as a result of those conversations. More details may be found in their reports.
6. Submitted the 2011 budget to C/A with these five areas as the framework and with a vision of pooling money that was formally assigned to particular line items into purpose-driven grants that ministries and leaders may apply for through a new granting process. This process will enable more collaborative leadership, visibility, accountability and sharing of best practices. Additionally, we will supplement mission shares giving with grant funding as a strategy for ministry growth (see C/A's report for details).
- Continued conversations with Annual Conference leadership including the Rules Committee about the intention to test before making changes to the structure. Waiting until 2012 to bring any needed resolutions will also allow us to take into account any decisions made at the special Called Session of General Conference.

As a reminder, here is a functional chart of our structure. (This first appeared in the 200 Journal page 480. Subsequent modifications have been noted.)

In the 200 Journal there was a specific configuration of agencies underneath the Discipleship Ministries area that were aligned with the Discipleship Adventure and that were never fully implemented. As of July 2011 there was no grouping of agency work. Additionally Communications and Archives and History had shifted from Stewardship to Discipleship.

What follows is the realignment of Discipleship Ministries we are testing this year before bringing finalized recommendations to the 2011 Annual Conference session for a vote. During this testing period the current way in which the Connectional Table is populated will be maintained to minimize disruption. The entities with an asterisk are populated through our Nominations Committee. The functions of the entities in parentheses will be cared for by the networked area. The items listed without parentheses are there to show where synergy exists.

Groups may be considered as working groups or other entities that help translate the work done by the network (e.g. strategy priorities goals) to their constituency group. Individuals listed would be a part of the network.

Leader Development

Purpose to develop mature Jesus followers who know their purpose and use their gifts to build up the body of Christ for the transformation of the world.

Leadership development is rooted in Discipleship development. It is our expectation that every leader across the Annual Conference is maturing in their discipleship and as such has spiritual fruit to show for it. An interim board of Leader Development is being formed to help define and synchronize expectations of what it means and takes to develop leaders (lay and clergy across a continuum of leadership impact from novice to mastery that helps inspire and equip local faith expressions to do the same).

This interim board is comprised of:

- Chair of Ministry
- Conference Lay Leader
- Conference Director of Lay Servant Ministries
- Representative people with specific skills and demonstrated fruitfulness in discipleship and leadership development (3 lay 3 clergy)
- Director of Leadership and Congregational Development

Conference Board of Laity

The purpose of the Baltimore-Washington Conference Board of Laity is to initiate strategies and policies to strengthen the presence and voice of laity in the Conference and to enable a mutual ministry among lay people and clergy alike as set out in the Book of Discipline of the United Methodist Church. In the Conference we strive to share information concerning the lay ministry of the United Methodist Church and to take any and all action deemed desirable by the Conference to promote and support lay ministry.

Goals We envision empowering the laity to partner with the clergy to provide a mutual voice and strengthen the presence for all. We want to equip our laity for spiritual leadership to make disciples of Jesus Christ for the transformation of the world. Plans are to develop a training session that is more in depth than a one day Leadership Day to give members an opportunity to discuss agreements and/or disagreements on chosen subjects.

Impact At the 201 Annual Conference Jodi Cataldo from the Board of Discipleship was the speaker for the Laity session. Feedback from attendees was very positive. During the year many of the District Lay Leaders conducted training sessions for the Laity.

The Conference Lay Leader and three District Lay Leaders attended the Northeastern Jurisdiction Annual Lay Leaders Conference in Charlestown, Va. We engaged in a wonderful missions project that included preparing food baskets with a local outreach project.

His Year Plans are to provide all conference laity an opportunity to share experiences/ideas for ministry and offer educational opportunities for all. We believe the ministry of the laity is the work and mission to which each believer is called. As Christians we are all called to this lay ministry much like those called to be clergy. Each of us has a responsibility to proclaim the Good News and reach out to others in love.

Young People's Ministry

Purpose grows disciples by inspiring and strengthening youth and young adult servant leaders in local churches campuses camps projects and mission fields of the annual conference.

Our conference has continued its faithful commitment to young people through Campus Ministry Conference Council on Youth Ministry (CCM) Retreat Camping Ministry (C) and Young Adult Council (AC). In January 2018 about 40 persons from across these ministries gathered to explore hopes and concerns for the totality of young people's ministry and to provide input on the model of having a consolidated board with working groups. CCM and the AC provided input on the process of identifying the interim Young People's Ministry Board and the composition of this board. (CCM and AC are both populated by districts not the work of the Nominations Committee.) These names will be brought before the Nominations Committee and added to the leadership report voted on at Annual Conference. This interim board will also care for the functions of the Conference Board of Higher Education and Ministry.

- 4 youth (not a current senior)
 - CCM nominates 4 and 2 are seated
 - C nominates 4 and 2 are seated
- young adults (3 or under)
 - YAC nominates 4 and 2 are seated
 - CM nominates 4 and 2 are seated
- Campus Ministry nominates 4 and 2 are seated
- 2 people that can be over 35
 - one with fruitful youth ministry
 - one with fruitful young adult ministry
- staff representative Matthew Urber

We will be testing this configuration and will be bringing any needed resolutions to the 201 Annual Conference session as a result of our learning and the comprehensive assessment and strategic plan for Young Peoples Ministry that will be completed by March 2018. The key outcomes of the plan include:

- Strategy that clarifies the Conference's most effective role in supporting, connecting and vitalizing Young People's Ministry in the annual conference
- Clearly defined, updated and integrated structure for the conference's efforts related to Young Peoples Ministries
- Well-equipped, spiritually grounded leaders for Young Peoples Ministry including local, faith, community, district and conference level leadership. Leadership both staff and servant leaders that is recruited and trained to excel in the roles within that structure
- Communication that effectively engages young people and ties together the strategy, structure and leadership for Young People's Ministries across all levels of the Baltimore- Washington Conference.

In the meantime, we are working toward: a) unifying our youth ministry, b) increasing the number and quality of well-trained, Christ-centered leaders, c) developing cultural competency for youth and young adults and those who work with them, d) helping people find their place to serve in their area of giftedness and greatest impact, e) improving two-way communication between the Annual Conference and local church, and f) transforming the prevalent view of young people as a commodity in our local churches to the view of young people as fully capable change makers for Jesus.

Conference Council on Youth Ministry (CCYM)

Purpose: to support, educate, advocate, represent and resource on behalf of the Conference and District Youth Ministries, the local church youth ministries, and the youth, both churched and unchurched, of the Baltimore- Washington Conference. All this we do to help make disciples of youth for the transformation of our conference and world.

Goals:

- Have a CCYM member attend and be actively engaged with the Discipleship Council
- Attend and be engaged with the Northeast Jurisdictional Council on Youth Ministry
- Continue to develop materials for Stress Less Project in concert with Abundant Health Task Force on mental health and C-Cares
- Have at least one youth attend the Mission of Peace and
- Develop a presence at Annual Conference to help local church leaders understand the importance of youth ministry.

In 2011, CCYM focused on getting the message of being disciples in training, not disciples in waiting, and shared this throughout the annual conference. This message was received well and has led to youth being given more opportunities to participate and serve both at the local and conference level. Our youth were able to attend the Mission of Peace in Cuba where their faith was greatly impacted. They, in turn, have come back to their local settings and shared their experience and how it changed their lives.

CCYM is excited to be helping shape the development of a new strategic plan for Young Peoples Ministry across the conference. We will continue our work on the Stress Less Project so that we have lesson plans designed that can be shared with local churches. We intend to start a new youth initiative where we host small style conversations on youth topics.

Young Adult Council

Purpose: to be a movement of young adults growing in Christ and community

Goals:

- Provide training for local congregations on the full spectrum of Young Adult Ministry
- Be a resource to local churches and provide resource and recommendations to local churches for use in young adult ministry

- Advocate for young adult participation and leadership at the conference level
- Connect young adults and local young adult ministries throughout the conference through clear and consistent communication and
- Host or sponsor young adult events activities.

The Council continues to offer trainings to local churches and purchases resources to share. As a way of advocating for young adults to participate in leadership roles multiple young adults were sponsored to attend the reCall Summit in October where they engaged in conversation around race and multiculturalism. More than a dozen young adult ministry groups sought funding from the Council all of which were supported. In addition to supporting other groups the Council helped to organize and plan several events to include a young adult worship night at Mt. Luces in Westminster and a gathering of young adults at Annual Conference.

Impact The Council continues to partner with our brothers and sisters in Campus Ministry as well as Retreat and Camping Ministry so that young adults across the region have many touchpoints to the conference. We were able to help sponsor several Howard University students to attend a Christian leadership conference in Atlanta as well as students from the University of Maryland to attend Taste. The Council also hosted a gathering with CM staff and are in the process of planning a retreat for young adults in the fall of 2018.

Overlapping our ministries helps to build deeper roots while also casting a wider net so that more young adults are impacted. We are excited about the future of our partnership with Project Transformation where young adults will have the opportunity to both grow in faith and gain leadership skills. The Council supported two new young adult focused ministry startups here in DC and here in Laurel which have flourished and given young adults space to grow in their faith and become fruitful leaders and disciples.

In 2018 we plan to continue to support local church ministries with training resources and funding through addition to hosting a fall retreat for young adults.

Retreat and Camping Ministries

The mission of Retreat and Camping Ministries (CM) is to grow disciples of Jesus Christ through immersion in Christian community and by building relationships in the midst of God's creation. We provide unmatched opportunities to individuals and local churches for spiritual transformation through retreat and camp experiences.

2017 was a year of transition for CM as Andy Hornton retired after 30 years of faithful ministry. Chris Chlicert succeeded Andy as Director of CM and Justin Bromboads was hired as the new Director of Manidoan Camp and Retreat Center.

Retreat usage held steady while summer camp participation increased by 8.4 percent allowing CM to fulfill its financial mandate for operating income to cover operating expenses. We are proud to have met this goal for the fifth consecutive year.

CM continued to nurture partnerships with Baltimore County Social Services Calvert County Public Schools River and Rail Outlets Georgetown Day School Maryland Department of Natural Resources University of Maryland Eastern Shore City of Annapolis and others.

In 2017 CM served 14,011 people as part of 311 retreat groups and 12 summer camp programs. More than 20,000 nights were spent at our sites and our food service staff served more than 10,000 meals. While at our facilities people engage in intentional community building spiritual formation and personal growth through the unique setting and activities we provide. Industry research shows that 86 percent of summer campers agreed their camp experience had a significant impact on their life and 13 percent agreed their faith had been strengthened while at camp.

n 2018 CM will

- Implement a new marketing strategy to increase growth
- Undergo a master planning process in the fall of 2018
- Revamp the Baltimore City camp initiative
- Improve cultural competency training for staff and volunteers
- Add new high ropes course to Manido and
- Upgrade 600 feet of West River shore as an environmentally friendly Living Shoreline.

We are grateful for the support of local churches, pastors, laity, and conference staff which enable us to provide this vital ministry to our region on behalf of the Baltimore Washington Conference.

Missionaries Report

The Conference secretary of Global Ministries interprets the programs emphases plans and policies of the General Board of Global Ministries to the annual conference works with Missionary services to promote Covenant relationships and itineration of missionaries to share the story of God's mission and increase support for missionaries and cooperates with Global Ministries in its mission program in the United States and around the globe.

Our goal is to coordinate the itineration of missionaries visiting supporting churches. I make special efforts to have missionaries visit churches that are not currently supporting missionaries:

- Promote new Covenant relationships
- Maintain the list of missionaries supported throughout the annual conference
- Mission Joint Venture of M and M is the major training event for mission education within the C. Members of C M serve on the planning committee for the annual school for adult and youth. As secretary represent M and serve as business Manager and member of Nominations Committee.

Missionaries are provided an opportunity every three years to visit the United States. They usually itinerate to conferences where they have four or more covenant relationships. Exceptions are made if missionaries are visiting nearby areas and stop in for a couple of days.

We usually have several missionaries itinerating in C yearly. In 201 because of severe weather conditions many of them postponed visitation to the because churches were providing financial support to food and storm areas.

Maryladstone Highland from the Detroit area visited in April and wanted to thank usanna Wesley House in Baltimore for their generosity by providing housing for her husband and young child during their time in our conference.

John Arnes former M member graciously accepted an invitation to give an overview of conference ministries at the Mission U event in July 201 .

in 2018 in looking forward to working with Conference Moderator Kathleen Wilson as we establish goals on how to support each other in our assigned work areas.

I would like to take this opportunity to thank the United Methodist Women and Conference staff for their support throughout the year.

Conference Committee on Religion and Race

Members of the Conference Commission on Religion and Race (CC) have been active primarily in two areas this year 1) vital conversations about race and 2) intercultural competency training.

Our first goal has been to resource and promote vital conversations about racial justice in congregations and gatherings across the Annual Conference. Members of CC actively engaged with each registered clergy member at Annual Conference 2017 to provide study guidebooks and a set of vital Conversations on Race Culture and Justice. Published by the General Commission on Religion and Race (C) we emphasized series 1 Racism and . . . Church. Clergy members were encouraged to partner with congregational leaders to engage local church members in this study series which includes presentations by theologians sociologists and thought leaders in race culture and justice. We encourage you to visit C's website www.gcorr.org for more information and resources.

At the 2017 Annual Conference lay and clergy members were given the opportunity to enter into a covenant to actively participate in dismantling racism. The invitation to covenant

together has continued on the CC website to date over 100 individuals have signed on to do this work throughout our conference. At this time CC is in the process of following up with the individuals and churches who signed and submitted a covenant card or have indicated their desire to engage in this critical work.

CCORR is aware that some congregations have stepped up to begin engaging in dialogues about racial justice. These conversations are taking a variety of forms. Churches are working with the resources provided as well as other resources to creatively and courageously begin these conversations in their local contexts. We applaud those clergy and laity who are finding ways to make them happen and encourage others to provide opportunities for members of their congregations and communities to engage in dialogues toward building new partnerships and to take actions in their locations. To support this work CC is developing educational opportunities specifically to train leaders in the use of the Vital Conversations resource and to support this timely and vital work as it is emerging in local churches.

CC has also focused on the ongoing work of building intercultural competency across the Conference. In September an intercultural competency workshop was held with the Board of Ordained Ministry as a part of their training and preparation for their work this year. A second workshop is planned for fall 2018. A workshop on Intercultural Competency was also held for pastors who are participating in the Residency in Ministry program through M. CC continues to see the need for intercultural competency training to take place throughout the Conference.

Over the last twenty months there has been a developing core of racial justice work and resourcing in the Baltimore-Washington Conference. CC will be contributing as a part of the overall conference strategy to further this work. We look forward to doing what we can to promote and further dialogue and action in local churches and communities toward ending racism and growing in intercultural competency in the coming year.

DC-Maryland Justice for Our Neighbors

Purpose We provide immigration legal services to low income immigrants.

Goals To provide high quality legal services to low income immigrants while providing faith based hospitality, welcoming the stranger, and educating the community. Every year we work on over 300 cases for clients from over 30 countries on over 20 different types of cases. We have served a lot of the population in need. We aim to serve the most vulnerable community members and have developed case acceptance criteria that reflects this. We conducted town hall meetings presentations in immigrant communities and rely on volunteers to run our clinics, thus educating the public through various means. We strove to respond to specific needs due to harsher immigration rhetoric and policies from the new Administration. We held community presentations regarding enforcement, held ACA specific clinics, and our attorney participated as part of a local emergency legal response team at Dulles International Airport after the executive orders banning refugees and Muslims. Additionally, we sought to increase the visibility of the organization, especially within the conference. Introductory meetings were held with Bishop Asterling and Conference staff, an educational and fundraising event, "Welcoming the Stranger" was held at the Conference Mission Center, several articles were published in the MConnection, and our social media presence was increased.

Impact We held 20 immigration legal clinics at 10 MCs in Baltimore, Pithersburg, Mattsville, and Washington, DC. At the clinics, potential clients meet with our experienced attorney for in-depth legal consultations, and volunteers provide hospitality, refreshments, childcare, interpretation, and assistance with intake forms. Our sole attorney opened 24 cases in 2017 (in addition to the 100 cases still open and active from the prior year). The immigration process is incredibly slow, but we received positive results for many community members.

including green cards naturalizations asylum grants ACA grants grants of motions to reopen advanced parole A results a grant of protection under the Violence Against Women Act (VAWA) visa a refugee travel document approved family petitions and many work permits.

2018 we aim to provide the same level of high quality immigration legal services and hospitality while increasing our capacity by increasing our staff and our office space to accommodate more staff and volunteers.

Commission on Archives and History/ United Methodist Historical Society and the Strawbridge Shrine Association (CC)

Our Conference encompasses the foundation stones of both the United Brethren and Methodist Churches which joined to create the United Methodist Church 100 years ago. Our goal in the coming year is to preserve and lift up our history a story of divisions reunions faith and progress toward becoming one beneath the Cross. Toward that end a Pilgrimage as force will be meeting throughout this year.

United Methodist Historical Society

The conference historical society founded in 1880 began to exhibit the fruits of a century of collecting in the Museum at Lovely Lane Church in 1980. Fifty years ago the MC set up in each conference a Commission on Archives and History to preserve the records of the Conference to maintain a safe archival and historical depository and to see that all current items with value for future history are preserved therein (12 Discipline 12.2)

Inasmuch as the discipline allowed that the officers of the Commission shall be the officers of the Annual Conference the Historical Society Commission and Society have operated as one for the past 100 years. The Conference installed an archival vault alongside the museum in 1980 and since then has provided funds for its maintenance and employed an archivist and associate.

That the state of this facility is not all that it should be became obvious last summer when an air conditioning leak led to a mold outbreak. Further analysis by an industrial hygienist engaged by the Conference and a conservator engaged by the Society revealed the need for a central air system and non permeable flooring among other issues.

We appreciate the work of the Archives staff which was relocated to the Conference Mission Center for the latter half of 2017 and of the Conference Finance and Facilities staff in working toward a remedy for these issues.

Strawbridge Shrine Association

Fifty years ago the Strawbridge Shrine was among 11 Methodist shrines adopted by the United Methodist Church the first of the original four designated in 1940 by the Methodist Church after its reunification as worthy objects for the care of the general Church. (12 Discipline 12.41)

Here Robert and Elizabeth Strawbridge settled ca. 1700 and realized the first American Methodist preaching classes and conversion (John Wans). His sacred site has developed as a historical park including the log John Wans house acquired by the Conference Historical Society and moved here in 1978 and a replica of the Strawbridge's meetinghouse built of period logs in 1982.

Last year the Association reexamined the condition of these structures and found significant cause for concern which it laid before the Conference trustees. We are grateful for their grant of \$10,000 to make immediate repairs. We are determined as an association however to raise

funds for the continuing care of this site.

oward that end we have established both a Preservation Fund and a Pastoral Council to lift up to the general church this sacred and historic site and the worthy objects which stand here as surviving witnesses to this first Methodist ministry in America.

Furthermore through the work of volunteers in Mission there will be two dedications this year that of water and power projects in Indid and school block construction in Anwa. Led by Charlie Moore and several others M continues to do outstanding work.

In addition during the Pastor's school trip two communities experienced revitalization through the installation of boreholes one in Mese a rural town in which the partnership helped rebuild a church several years ago and another community in the Mutare South District of the A. These efforts were led by the Rev. Jim Arner and the congregational support of the Mory Grove and Mill Cree Parish churches. United Methodist Men

we are doers of the word and not just hearers only. (Matthew 23:23-24)

The year 2017 marked a new journey for the United Methodist Men of the Baltimore Washington Conference (CMM). We have an opportunity and an obligation to make a mark or impact on the thousands of men in our Conference. The mission of the CMM is to assist men to know Jesus, to serve Him, to grow spiritually, and to see daily to do His will. We do this by leading all our churches in the C to Charter and support Men's Very Man Hares through evangelism, Mission and Spiritual Life ministry.

Impact:

- We started the year with a ministry to feed the hungry and needy families in our Conference. In the Greater Washington District and all Memorial MC distributed 43,000 pounds of potatoes to its community. The United Methodist Men from the Districts of Central Maryland, Frederick, Baltimore Metropolitan and Annapolis Districts distributed 2,000 pounds each of potatoes in their respected communities.
- At the annual National Association of Conference CMM Presidents in Asheville, Tenn., CMM's Washington District Women's Chapel MC in Beltsville was selected the Best in Ministry. Thirty-six members made Women's Chapel MM the largest unit of members in CMM in the United States.
- One hundred forty-two men attended our Annual Prayer Breakfast hosted by Women's Chapel MC. We were blessed to have Bishop LaRelle Miller Asterling as our speaker.
- Our partnership ministry with the United Methodist Women continued this year with workshops at the Conference Center and a luncheon at our Annual Conference.
- At the 12th National Gathering of United Methodist Men in Indianapolis, Ind., CMM President Hampton Conway Jr. and Women's Chapel local President Perry Collins did a two-session presentation on the inner stronghold of the heart based on the power point presentation entered for the Best Unit in Ministry.

The 2018-2020 nomination of CMM officers were presented and voted on. Officers are President Hampton E. Conway Jr., Vice President Ceferino Pops, Secretary Minister Riccardo Jefferson, Treasurer Arnett Penley and Prayer Advocate Ryan Gould.

Our challenge for 2018 is to get officers to serve in the Cumberland,agerstown and the Frederick districts. We also plan to increase the number of chartered churches from 120 by 30 percent and to expand our support of the Evangelism Mission and Spiritual Life from 30 members by 30 percent or a number that truly honors God by helping men grow in Christ so others will know Christ.

United Methodist Women

Purpose United Methodist women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ to develop a creative supportive fellowship and to expand concepts of mission through participation in the global ministries of the church.

The goal for 2017 was to inform and educate United Methodist women and the community about long term effects of imprisonment on the lives of families. The outcome yielded 40 discussions and events led by resource experts knowledgeable in the fields of Criminal Justice and Mass incarceration. As women called by God to transform the world and its broken systems on behalf of women, children and youth, our vision turning Faith, Hope and Love into Action energizes our commitments and generates new opportunities to serve the needs of others.

The mission impact was awareness of the social burdens experienced by those in prison, the re-entry process and the need to transform opinions and judgements about citizens returning to the church community. A coalition will be established by United Methodist women to fight against the problems created by Mass incarceration.

In 2018, the Baltimore-Washington Conference United Methodist women are seeing more vital efforts, compassionate listening and stronger relationships with districts, local units, clergy leaders and community organizations to support the implementation of four initiatives: Climate Justice Charter for Racial Justice, Maternal Health and School to Prison Pipeline. This will lead to promoting and encouraging more creative action on our path for mission as women of faith.

Stewardship

Council on Finance and Administration

The Council on Finance and Administration (CFA) report this year celebrates the faithfulness and dedication of the local churches of the Baltimore-Washington Conference. Here is good news to be shared, not only in the telling, but also in the way CFA has applied the success in 2017 to the 2018 budget to the direct benefit of our local churches.

It is good news that the local churches in our conference continue to set record high apportionment giving in 2017. The collection rate of 2.4% beat the budget estimate of 2% for the second year in a row. The 2018 budget continues this projection at 2%. This has been a realistic expectation set at the same rate since 2011.

Total local church income for the churches of the Baltimore-Washington Conference grew significantly in 2017. This continues a trend measured since 2012. Our apportionment base also grew by almost 1% in 2017. While it seems inevitable that costs will increase each year

for both local churches and the conference C A undertoo to mitigate a portion of that effect for the local churches by reducing the benevolence factor from 1 . 2 to 1 . 00 for the 201 budget. his follows a reduction also in 2018. his reduced apportionment income by 100 000 from what it would have been under the 2018 rate. he effect is to maintain the level of apportionment income or ministry shares between 14.2 million and 14.3 million. This is the seventh year in a row CFA has set apportionment income at a consistent and stable level. This is intended to provide predictability and stability for the local churches in their connectional giving.

he 201 budget also continues strategic initiatives to accelerate the payments on the mortgage for the conference center and new camping facilities. his has the potential to save us 1 million in interest if we are able to pay off this debt early in 2022. etiree medical e penses will continue to be paid wholly from reserves and with no contribution from apportionments. C A has also increased its target for reserves from 10 to 1 of apportionment income to be completed in 201 . ith the positive fund balance from 201 we are currently at 13.8 . A highlight both nancially and otherwise is the outstanding income and program performance of etreat and Camping Ministries.

n addition the 201 budget re ects the new structure of the isciplship Ministries and will provide transparency and accountability as we engage in this new structure. It provides increased funding for these ministries. t also includes almost 80 000 in new outside grant income. It reduces stewardship expenses and is a balanced budget.

C A has considered potential ris s to both local church income and connectional giving that can ta e effect in 2018 and 201 . ffective in 2018 changes in the ederal a laws may affect charitable contributions and in ebruary 201 the ay orward process will be voted on at the pecial ession of the eneral Conference. ither or both of these events may have negative effects on local churches and a ripple effect on ministries of the Baltimore- ashington Conference. C A stresses that adverse effects are only potential ris s and not a certainty. hile the effects are currently un nown they will evolve over the ne t two years. C A is boosting its reserves and together with other affected agencies will follow events closely remain e ible and develop strategies to address their effects.

201 inancial esults Pre Audit)
Income

he apportionment mission share income in 201 was 14 288 0 with an overall collection rate of 2.4 . or the fourth straight year the Conference has set a record high for the collection rate. he collection rate budget was set at 2.0 and the positive performance was better than budget by 8 0.). he apportionment giving was actually 4 0.4) lower than the prior year which is simply a factor of a lower apportionment budget in 201 .

The collection rates recorded in recent years are as follows:

| | | | |
|------|-------|------|-------|
| 201 | 2.4 | 2012 | 8 .10 |
| 201 | 2.08 | 2011 | 0.4 |
| 201 | 1. | 2010 | 0. 1 |
| 2014 | 0. | 200 | 8 .24 |
| 2013 | 8 .84 | 2008 | 8 .00 |

he number of churches contributing 100 towards their mission shares remained high with 82 of our local churches meeting that standard. he number of churches giving 100 of their mission shares was 84 in 201 83 in 201 and 82 in 2014.

he non apportionment income in 201 was 4.4 million which was 41 000 0.) less than budget. n actually a good note the non apportionment income was 2 8 000 less than e pected due to the lower funding that was re iured from the oard of Pensions eserves to pay for etiree medical bene t e penses that were 1 less than budget. hat negative

performance was offset by more than budget performance in retreat and Camping Ministry revenues that exceeded their budget by 8 000. Earnings on investments were also stronger than expected with net gains of 3 000 greater than budget. Overall the non apportionment income was 1.4 million more than the prior year as a result of the change in the 201 budget that funded all of the retiree medical benefits from the Board of Pensions reserve instead of apportionment funding.

Expenses

The total expenses in 201 were 18.2 million which was 434 300 (2.3 %) less than budget. The most significant financial pressures were the Zimbabwe Partnership expenses that exceeded budget by 6000 and annual conference expenses that exceeded total income by 30 000. These were offset by under budget performance in retiree Medical expenses at 2 8 000 as mentioned previously under the non apportionment income. Other expenses under budget included moving costs 4 000 legal 4 000 and insurance 3 000.

Overall the resulting net income prior to audit was a positive 4 24 4 which is 2. % of budget. There are many factors that contributed to this strong financial performance in 201 . These especially give thanks to our local churches who remain so strong in their connectional giving.

C Apportionment Base

The expenses of a local church as they are reported in the annual collection of statistical data minus dollars that are spent on mission outreach debt service and capital projects comprise what is known as the apportionment base for a church. The apportionment for a local church is derived by multiplying the apportionment base by the Benevolence Factor that is established by the Annual Conference when the budget is approved. Using this method our current benevolence factor of 1 . 2 yields an apportionment that is most commonly in the range of 12 % of total local church expenses or income.

The apportionment base for the Conference is an accumulated total of the apportionment base that is calculated for each local church. The reported base increased by 1.0 % in 201 . The apportionment base trends with the year-over-year changes are as follows:

| | | |
|------|----------------|---------------------------------------|
| 201 | 88 283 04 | 1.0 % |
| 201 | 8 44 322 | 0.4 % |
| 201 | 8 0 2 403 | 0.8 % |
| 2014 | 8 80 38 | 1.1 % |
| 2013 | 8 83 08 | 0.8 % |
| 2012 | 8 1 0 | 1.3 % |
| 2011 | 8 341 343 | 2.1 % |
| 2010 | 8 2 0 232 | .1 % vs. 2008) |
| 200 | Not Applicable | Sept the prior year's base and budget |
| 2008 | 84 0 41 | 3.0 % |
| 200 | 81 4 1 | |

201 Budget

The proposed budget for 201 builds on the strategic initiatives that were first introduced in the 201 budget. These initiatives include

1. Increase Level of C A Reserves from 10 % to 13.8 %

With the positive fund balance from 201 the C A reserves now stand at 13.8 % of the apportionment budget. The 201 budget includes 100 000 towards the increased level of C A reserves to reach the 13.8 % goal.

2. Accelerate Payment of Conference Debt

The consolidated loan for the investment building and the Mission Center will be reduced to a balance of 2.1 million with the proposed 201 budget that includes 100 000 towards accelerated debt payments. The loan balance stood at 2.2 million at the end of 201 prior to

starting the accelerated payments. The 2018 budget keeps the Conference on pace to pay off the loan in 2022 which will be 3 years ahead of schedule with \$1.0 million total savings in interest payments.

3. Fund Retiree Medical Benefits from Reserves

Retiree medical benefits will continue to be funded from the Board of Pension reserves without any additional funding coming from apportionments. The retiree medical funding in 2018 is set at \$1,300,000 which is based on the current expense trends for this benefit.

The 2018 budget also includes a reduction of the benevolence factor from 12.2 down to 11.0. This builds on the reduction from 11.5 that was included in the 2018 budget.

The reduction in the benevolence factor is consistent with the CAs multi-year plan to keep making progress towards the goal that the average church's apportionments be no more than 10% of their overall income. That level is currently calculated at 10% based on the 2017 statistics. This is down from 12.3% in 2011.

Overall the budget proposal consists of an apportionment income of \$142,488 which is an increase of \$34,300 or 0.2% from the prior year. The budget assumes a 2.0% collection rate for the apportionments which is consistent with the actual results for 2017 and 2018. The non-apportionment income is increased by \$231,200 to \$443,300 which is driven by increases in external grants and the recognition of \$200,000 from the sale of discontinued churches that will now be recorded in the budget as revenue to fund grants for new church starts.

The expense budget shows an increase in Discipleship Ministry programs of \$3.1 million from \$11.1 million. The stewardship and administrative programs will be reduced by \$1.1 million from \$1.9 million. The budget incorporates a 2.1% increase in salary. It completes the phaseout of Regional Resource Coordinators and funds the hiring of a new full-time position to lead New Faith Expressions.

Other line items of significance include

- The General Conference apportionments will be reduced to \$3,481,444 which is a decrease of \$88,200.
- Retreat and Camping Ministries revenues are projected to grow an additional \$4.1 million in 2018 which continues to be a very good news story.

Summary

The future continues to unfold and we will continue to rise to meet our financial challenges strengthened by a willingness to operate in ways both traditional and innovative. We will continue to strengthen communications about our connectional ministries and how apportionments are used throughout the connection. We are blessed as a conference by financial stability and by the resources we have in terms of partnerships both realized and envisioned.

The Baltimore-Washington Conference continues to develop its stewardship so that vital and vibrant communities can be born and prosper so that our connections at both local and global levels can be strengthened and increased and so that all local churches can experience the benefits of the connectional system of which we are all a part. We recognize God's presence at work through it all and thank God as well as appreciate the uniqueness of each local church.

CAs continue to do its work in a spirit that we pray is cooperative and well focused. As we continue to stand together as a connectional church we will find both causes to celebrate and the ability to face our challenges together. We will work together for the greater good of which we are all a part keeping in mind that all that we have and all that we are is from God.

Conference Board of Pensions and Health Benefits

The Board of Pensions and Health Benefits continues to pursue its goal of enabling clergy and lay staff to accomplish their ministries without concern for their long term financial or medical protection. We continue to position ourselves to face the challenges that lie ahead and to assist clergy and staff in their mission.

Pensions

- Pre 82 Service Funding (The 2018 Past Service Rate Plan) is confirmed at 2. We recommend that the Plan for 2018 be set at 20.10%. The discipline confers authority upon the Annual Conference to review the annuity rate for Pre 82 service and to adjust the Plan rate as appropriate taking into consideration the changes in the economy. Such annuity rate may remain the same or be increased without restriction. The Board and Investments actuarial valuation for Pre 82 Annuities as of January 1, 2017 showed a more than fully funded plan requiring no monies to be paid by the Board. The Pre 82 plan surplus results from increases in valuation of the securities in the account. The Board has authorized a mechanism by which we have been able to employ some of the excess Pre 82 funds to indirectly fund our Retiree Medical Plan reserve. Pre 82 is the pension plan in place prior to 1982.
- Ministerial Pension Plan (MPP) Funding (The Board and Investments actuarial valuation for MPP Annuities as of January 1, 2017 showed that it is also a fully funded plan requiring no monies to be paid by the Board. Monies previously contributed to MPP continue to be held in individual participant accounts. MPP is the pension plan in place from 1982 through 2007.
- Clergy Retirement Security Program (CRSP) Funding (The Baltimore Washington Conference funds the program as follows:
 - CRSP Defined Contribution (DC) Plan: The Board continues to collect 3% of participant's plan compensation (salary plus housing) to fund the Defined Contribution (DC) Plan. Two percent goes directly to the participant's DC account. The participant is now required to enroll in the United Methodist Personal Investment Plan (UMP) with a contribution of at least 1% of plan compensation in order to receive a match of up to 1%.
 - CRSP Defined Benefit (DB) Plan: The Board continues to collect 12% of the participant's plan compensation (limited by the Actuarial Equivalent Average Compensation) to fund the Defined Benefit portion of CRSP.

Comprehensive Protection Plan (CPP)

- The Board continues to collect 3% of a clergy participant's plan compensation (salary plus housing) for the Comprehensive Protection Plan (CPP). The CPP provides death and disability benefits for all eligible participants. As of the last General Conference (The Board and Investments revised their policies to treat clergy mental illness in the same fashion as any other illness for CPP purposes. The Conference Board of Pensions and Health Benefits has voted to provide the necessary funds to eliminate anti-mental illness discrimination for lay employees as well.

MLife Options

- Eligibility changes were approved at the 2017 General Conference to eliminate the special arrangement coverage for ordained clergy appointed to ½ or ¼ time as of 12/31/2017. Conferences were given options to purchase life and disability insurance for these clergy through MLife Options.
- Effective 1/1/2018 active ordained clergy appointed to full time are now enrolled in MLife Options. The Board will collect 3% of clergy participant's plan compensation (salary plus housing) to cover the premiums.

Health

- Health Plan: Effective January 1, 2017 all eligible participants have been enrolled in the Board Health Plan Change Plans. The Health Plan Change brings more plan

options and more flexibility for enrollees to select the health plan that best fits each individual need. The health plan change is not a public plan change and is not associated with government agencies. It is a multiple-option group health plan designed for United Methodist Church clergy lay employees and their families.

- Retirees who are over age 65 will continue to work with the change to choose policies better suited to their individual needs. Retirees are offered a stipend based on years of service. Retirees who are under age 65 or any future participants who retire before age 65 will remain on the health plan change plan until the month they turn 65.

The Board strongly recommends that all clergy of the Conference participate in social security and not exercise any conscience clauses to opt out of social security.

Eligibility for Medical benefits through the change in retirement and disability benefits through the CPP program are both dependent on participation in social security and Medicare. Thus one's irrevocable decision to opt out of social security is a decision to be excluded from these Conference programs as well.

Arrearage: In order to assure that nothing interferes with clergy continued medical and pension coverage, the Board makes the necessary payments to the church when due and then collects the premiums from individual churches. There is a continuing problem with a small number of churches which fall behind in this pastoral compensation commitment. The Bishop's Task Force on Arrearages comprised of two district superintendents, the Chair of the Board of Pensions and Conference staff has developed approaches to more intensive management of churches which are in arrears. For medical and pension arrearages often are symptomatic of other challenges to ministry and finances the church is facing. A Church in arrears may be offered a forbearance program where collection of the arrearage is forborne for three years while the church focuses its efforts on greater effectiveness in ministry. Churches successfully completing this program may have the arrearage converted to a contingent liability effective only in the event that the church property is sold.

During 2011 the initial forbearance churches completed their three years. Seven churches satisfied the forbearance agreement and received a contingent liability status and we had their forbearance period extended for an additional 12 months. Our new church forbearances are pending.

The objective is to make every effort to help churches return to health both in their ministry and their finances. The total arrearage at the end of 2011 for non-participating churches was \$3,111. Arrearages for forbearance churches totaled \$2,000 not including the forbearance amount of \$328,220.

The 2011 General Conference in response to concerns regarding proposals which may or may not be made in connection with the 2011 General Conference the C/P has reviewed its areas of responsibility to identify any possibilities that might affect the pensions and medical insurance of those for whom the C/P is responsible and is confident these obligations can be met regardless of events in 2011.

Final Comments: The C/P thanks Frances Agee, Director of Human Resources and her enthusiastic and professional work on behalf of our participants and the Board. She effectively communicates and administers the benefits based on Plan rules and regulations the discipline of the Conference's policies and procedures and all applicable state and federal laws so that there is an understanding of the benefits for our clergy and lay employees. It is her goal and the Board's goal to continue to provide the best possible benefits package for our plan participants while maintaining the utmost care for and fiduciary responsibility to you the Plan participants and those in the Baltimore-Washington Conference for whom we owe the same. We wish to also give thanks to Karen Conroy and Denise Associate Pier McPayten Controller and the district superintendents who all support the work we do.

Board of Trustees

This is my final report as the Chair of the Baltimore Washington Conference Board of Trustees. I would like to give my heartfelt thanks to the members of the Board Paul Michelberger, Moe Attley, Pier McPayten and the entire Finance Department of the Conference. Your guidance, help and support has made my role easier and as an Annual Conference we are blessed by your service.

It has been a busy and productive year for the Annual Conference Board of Trustees. Our primary role is to safeguard and protect the interests and rights of the Annual Conference.

While it would be difficult to summarize all the trustee board's work, I would like to note some of the board's accomplishments:

In partnership with Retreat and Camping Ministries, upgrades and improvements have been made at both Manidoan and West River Camp sites. We've worked with the Conference Archivist to make needed upgrades to the museum at Lovely Lane MC where Annual Conference historical records are kept. We also assisted the Strawbridge Shrine with needed repairs to several buildings at the Shrine.

Through our loans and grants, we were able to aid several churches located throughout the Annual Conference with emergency loans, as well as support new initiatives to aid churches to upgrade their properties to reach new people.

The Board of Trustees continued this year to provide training at the Regional Leadership Days on the role and responsibilities of local church trustees and to support local churches by being available to answer questions and provide guidance on local church trustee matters.

Again, I am grateful to all of the trustees who faithfully serve and to the conference office on Finance and Administration. Their cooperation and assistance has been invaluable.

The Mid-Atlantic United Methodist Foundation, Inc.

The MAUM provides stewardship education and investment services.

2017 Accomplishments

Stewardship education: Conference pastors continued to participate in the comprehensive Financial Leadership Academy's two-year program. A new Academy for Church Finance was launched, providing an opportunity for clergy and laity to work together to improve stewardship within a congregation. Planned giving education resulted in new donors making legacy gifts to churches, agencies, and ministries of the Annual Conference.

Investments: The Mid-Atlantic United Methodist Foundation became the first faith-based foundation to become a Certified Fiduciary. This was awarded by the Center for Fiduciary Excellence, an independent global assessment and certification organization. The foundation increased the number of client churches and agencies it serves to record levels.

Invested assets entrusted to the foundation's care reached 100 million dollars.

2017 Impact: A record number of individuals participated in stewardship education programs to increase financial resources in support of ministry programs. In 2017, the foundation paid over \$1 million dollars to local churches and agencies in ministry funding.

2018

The foundation is completing a new 3-year Strategic Plan establishing new goals for the future.

New opportunities for stewardship education are being designed to meet the increasing needs of the local church.

Expanded investment offerings and reporting processes will support the increasing requirements of comprehensive care for Church assets and investments.

Leadership

Discipleship Council

The discipleship Council had a very productive year. Since July 1 2011 we have met five times and held one conference call. We elected the Rev. Jenny Cannon as our secretary Hazel Jackson as our representative to the Ministry Relationship Oversight Committee (a standing committee of the Discipleship Council) and the Rev. Michael Parker as our second representative to the Connectional Table (C). The Chairperson of the Council is the other representative to the CT.

Due to some confusion about the role responsibilities and purpose of the Discipleship Council we reviewed our current structure and discussed how the Discipleship Council fits into that structure. The Discipleship Council was created as part of the Baltimore Washington Conference (C) restructuring that took place in 2007 and 2008. In 2013 the Annual Conference passed a resolution to update the composition and purpose of the Discipleship Council which shall be to: a) discern develop and recommend Conference vision and goals to the Annual Conference Session b) review and evaluate progress toward the Conference vision and goals and c) ensure that Conference resources align to our vision mission and goals. The Council shall coordinate and consult with the Conference Council on Finance and Administration regarding the annual budget. The Discipleship Council is required to meet at least quarterly.

We began our meetings with time for prayer and/or a devotion and read Ephesians 4:1 and 11:1 (The Message). We read and discussed *The Anatomy of Peace* by the Arbinger Institute a book proposed for study to the Annual Conferences and General Conference delegations by the Commission on the Way Forward.

The Discipleship Council fulfilled our role responsibilities and purpose in several ways. We reviewed the Annual Conference evaluations and provided that information to the Sessions Committee. We reviewed discussed and offered feedback about the Annual Conference response to the J Call foracial reconciliation including the covenant cards that are being used to evaluate AC membership response to the Call to Action and the eCall Summit held in October 2011. We discussed and provided feedback regarding a possible restructure of the C Discipleship ministry agencies.

We also developed a new C Mission Statement which will be presented to the Annual Conference for action via resolution at the 2018 Annual Conference.

The Council also thoroughly reviewed and provided feedback regarding the 2011 budget. Discipleship Council member Carol Travis represented the Council at a budget stakeholders meeting. The entire Council met with CCA Chair Phil Potter and Treasurer Paul Michelberger to review and provide feedback regarding the budget proposal.

In 2014 the Annual Conference established a Ministry Relationship Oversight Committee (MOC) as a standing committee of the Discipleship Council. This year the MOC reported one application for ministry relationship to the Council. This application is pending as the MOC obtains additional information requested by the Council.

Additionally this application highlighted procedural challenges that the MOC and Council plan to evaluate over the next year. This evaluation will consider whether the procedure can be streamlined different levels of ministry relationship are feasible and there are other changes necessary to accomplish the goals of MOC as established by the Annual Conference.

In the coming year the Council anticipates evaluating the C Mission Statement. In all our work we seek to enable the Annual Conference to more efficiently and effectively inspire and equip the development of disciples of Jesus Christ for the transformation of the world.

Board of Ordained Ministry

uring the 2018 Conference year the Baltimore Washington Board of Ordained Ministry has served on behalf of all persons across the Conference called to representative ministry of the church as licensed, commissioned and ordained persons. The board is comprised of 4 lay and clergy persons who serve on behalf of more than 1,100 persons under our care as either candidates for ministry, actively commissioned, provisional members, deacons and elders in full connection and retired members.

This year the board has sought to strengthen its work by engaging in several initiatives. These included working throughout the year to continue to clarify and affirm our values, engaging in Cultural Competency training for the entire board and holding our first Living Our Call recruitment and enlistment event. We have worked to strengthen relationships with the seminaries with which we relate and we are currently working on developing a framework for resourcing clergy around sexual ethics and boundaries. Additionally our board's human equality as a force has worked to help clarify board Policy and Practices as it regards the diversity among those we serve on behalf of the Church.

In accordance with paragraph 3 of the 2018 Book of Discipline, an important part of our work is serving as stewards of the process of supporting, evaluating and recommending persons who have offered themselves as candidates for ordained ministry as Deacons and Elders.

Our eight district committees on ordained ministry and the Board have worked tirelessly throughout the year to ensure that processes of evaluation and examination are accomplished with integrity, fairness and clarity for all candidates and provisional members under our care.

We have continued to work to perfect several policies and procedures that inform our work for evaluating candidates for ministry with the goal of discerning ways that together we can continue to engage in ministry that is faithful and fruitful toward the end of making disciples of Jesus Christ for the transformation of our communities and the world.

The Board of Ordained Ministry takes the opportunity to thank Bishop LaRelle Asterling for her ongoing prayers, support and guidance of our work. The Rev. John Papp, the Director of the Center for Clergy Excellence for his outstanding leadership in managing and facilitating the perfecting of our practices for supporting clergy and those preparing for ordained ministry and Mrs. Debbie Albrecht for her stellar administrative support of the Board of Ordained Ministry's work.

As we conclude this Conference year and move forward, we continue to solicit your prayers for our work on behalf of those who seek to serve Christ in the representative ministries of the church for the Baltimore Washington Conference, the United Methodist Church and Christ's Church Universal.

Rules Committee

The Rules Committee worked on several projects in the last year. We crafted proposals for new deadlines for conference reports, resolutions to Annual Conference and petitions to General Conference. Given both the number of other resolutions that were offered for the 2018 Annual Conference and the compact schedule for this year, we decided to defer our resolutions dealing with those proposals.

The committee also met with the Director of Connectional Ministries, Christie Latona. We discussed ideas for restructuring Annual Conference committees. The Rules Committee voted that such changes would require the cooperation and approval of the Rules Committee.

The most significant change for this committee was in its leadership. After years of serving as the chair, Jen Hlo transitioned to her new role as chair of the Discipleship Council. The Rules Committee is grateful for her service and expertise and we are glad that she will continue as an

Executive member. Rev. Mark Gorman was elected the new chair.

Commission on Communications

The Communications staff and the Commission seek to tell the story of God as lived out by the people of the Baltimore-Washington Conference.

In an award winning newspaper website newsletter and with video and through social media a four member Communications staff informs, equips and inspires the Church's spiritual leaders. We are blessed by the steady witness provided by Melissa Lauber (Director), the Rev. Ari Alsgaard (Managing Editor) and Alison Turdett (Multimedia Producer) who collect and communicate the Good News from the diverse corners of our Annual Conference. This year we welcomed Myca Jones who serves as webmaster and has an expertise in video production. Myca has already significantly enriched the presence of Church multiple media platforms. We also celebrate Linda Worthington who tirelessly volunteers her time as an outstanding writer and editor. Thanks to this staff quality materials are available for use around the Conference. Approximately 1000 copies of the MConnection newspaper are distributed each month our Facebook and Twitter pages have seen an increase of approximately 10 percent in their followership and our e connection goes out weekly to over 4000 members. Based on feedback from our younger membership we have revitalized our Instagram platform. We look forward to increased followership in all media in the year ahead.

The Conference Commission works in partnership with the staff. This year we moved toward a collaborative role rather than advisory. To that end we identified Church members who in addition to representing a cross section of our annual conference demographically also bring a diversity of expertise. Members of the Commission represent clergy and laity all regions of our Annual Conference and bring strategic skills in writing, video production, local church resourcing, photography and education. Members have partnered with individuals on the staff to provide advice, feedback and ideas for content. Additionally they act as liaisons between the staff and their constituent location or ministry areas. The Commission is leading efforts to create a significant inaugural photography retreat that focuses on the power and spirituality of image. It will be held in October 2018.

We look forward to the next year and our continuing role in spreading the Good News throughout the Baltimore-Washington Conference and beyond.

Commission on Nominations

The purpose of the Conference Commission on Nominations is to identify and nominate gifted spiritual leaders to serve on Commissions, Boards and Agencies of the Baltimore-Washington Conference.

This year the Nominations Committee changed the nominations process to help reach new people, ensure diversity and nominate people to positions that match their spiritual gifts and expertise. To support the work involved a staff project manager worked closely with committee leadership. Goals for the Nominations Project were to

1. Have a completed and verified nominations slate at least one month prior to Annual conference.
2. By July 1, 2018 stimulate participation in boards and agencies by lay and clergy responding to God's calling who have a passion and commitment to the ministry and to have balanced representation of lay, clergy, age, gender, district, demographic, race

ethnicity along with skills needed for Annual Conference agencies work.

- By July 1, 2020, committees will emphasize effective collaborative teaming and develop skilled servant leaders serving as the body of Christ.

The Director of Connectional Ministries gathered information from existing committees which was used by the Commission on Nominations members to guide their work. Agency chairs provided information on their vacancies and the goals and work of their committees as well as the skills/gifts needed that was used to develop an interest form and shared with potential nominees. Nominations developed a survey of interest form to help match people to their best place of serving in the body of Christ. The form was widely distributed and those desiring to serve on a conference committee were required to submit it.

Regional teams led their District Lay Leaders were given the task of reviewing their region's interest forms and matching persons with the vacant positions for their regions. Potential nominees were contacted and provided with a discernment process to guide their decision to serve or not to serve.

The majority of the Nominations decided not to populate inactive committees with new people but put those people on newly created interim boards under five focus areas: Leadership, Young Peoples Ministry, New Faith Expressions, Advocacy and Action, and Abundant Health. All chairs, new and returning, will receive training in July 2018.

Our hope is that by 2018 the Nominations Committee will have evaluated the new process made needed changes and transitioned to a better way of fulfilling its purpose. Nominations wants to be good stewards of our gifts, time, talent, and resources.

Institutional

Africa University

Africa University enjoyed a banner year in 2017 thanks to the local congregations, leadership, and individual members of the United Methodist Church. United Methodists in the Baltimore-Washington Conference and throughout the connection spearheaded special celebration events marking Africa University's 25th anniversary. These efforts brought Africa University's progress and ministry contributions to the fore, allowing congregations to reaffirm their commitment to the institution's mission of nurturing global leaders who transform communities.

The university community—students, faculty, administrators, and support staff, trustees, alumni, partners, and friends—is deeply thankful to the Baltimore-Washington Conference for investing in the Africa University Fund Allocation at 100 percent in 2017. Thank you, Baltimore-Washington United Methodists, for your continuing generosity and faithfulness to this ministry.

Institutional Update

- Africa University hosts a stable, focused, and vibrant campus community of 1,800 students as well as faculty and staff from 31 African nations. Amidst a transition in the governance of Zimbabwe, lectures, research, and outreach activities continue uninterrupted.
- A new academic structure is encouraging innovation and enhancing Africa University's relevance to the United Methodist Church and to sub-Saharan Africa. This includes the launch of the Institute of Theology and Religious Studies, which brings together multidisciplinary training and leadership formation opportunities for both clergy and

laity.

- Africa niversity's insectary and researchers are providing critical data on mosquitos and regional malaria control programs to aid Africa's efforts to eradicate malaria and other insect-borne diseases.
- The university is also making trailblazing regional contributions in migrant and refugee protection, child rights, and harnessing intellectual property for development.
- The first 2 years of A's ministry have produced more than 8,000 graduates to date.

Africa niversity ended 2014 affirmed, celebrated, and with its highest level of support from the United Methodist Church to date. United Methodist congregations in the United States invested 100 percent of their budget commitment to the Africa niversity. Thirty-five of the annual conferences achieved or exceeded their 100 percent investment in the Africa niversity. Giving to the Africa niversity increased in all seven jurisdictions, with the Eastern Jurisdiction at 100 percent for the first time and the Northeastern Jurisdiction at 100 percent for the third consecutive year.

As Africa niversity embraces new opportunities for service and impact, gifts for scholarships, academic development, and infrastructure are vitally important. The four-year \$10 million Campaign for Africa niversity is ongoing, with 75 percent of the goal or \$38.3 million in cash and pledges already committed. Thank you Baltimore-Washington Conference for providing a home for the Campaign office in the C Mission Center and for giving more than 400,000 to the campaign, designated for the expansion of sports and recreation facilities at the main campus.

Thank you Baltimore-Washington Conference for your foundational role in the Africa niversity story. Thank you for being a part of this incredible year of blessings. Thank you for affirming the power of faithfully sowing, standing, and working together as you journey in ministry with Africa niversity.

Board of Child Care

Last year we updated you about the early stages of our three-year strategic plan to transform the Board of Child Care (CC) from a care provider to an impact maker. We have had an incredible transformative year as we focus on our purpose: enriching communities, one family at a time.

We have focused heavily on organizational alignment, our first strategic goal. Our staff and Board of Directors worked to align policies, become more data-driven, and challenged the "why" about our practices and procedures. We are committed to living out our purpose as a trauma-informed organization guided by our core values of safety, integrity, empathy, and impact.

What a difference those conversations and efforts have made. CC is becoming more flexible and nimble as we transform how we deliver services to some of the most vulnerable and underserved populations in the Mid-Atlantic.

Becoming a leader in our communities by bringing change makers together is also part of our strategic plan. We are very proud to report that these meetings have resulted in brand new programs in both West Virginia and in Maryland.

Another example from the past year is that CC provided a specialized training called Mental Health First Aid in preparation for the annual Ocean City Maryland C event. The course helped build participants' mental health literacy as well as help them identify, understand, and respond to signs of mental illness or crisis.

We are also pleased to report that our accreditation renewal from the United Methodist

Association's A L Educational Assessment Guidelines Leading toward Excellence) commission successfully took place in 2017. CC pursues nationally recognized accreditations to ensure its programs and operations meet and exceed industry best practices.

In addition to accreditation from A L CC received two nominations: one for best practice and one for innovation. The first is for workforce and leadership development in assisting employees with career advancement resulting in employee promotion and retention.

The second, given to acknowledge a creative and unique approach to ministries, recognizes the large effort to help staff, youth, and families with their Christmas shopping by allowing clients and families to shop for others. The Christmas store gives dignity to children and their families to engage in the spirit of Christmas giving.

The support of congregations and individuals across the conference remains a cornerstone of

CC's ability to provide positive family experiences for our program participants such as the innovative Christmas store. Grateful to each one of our donors, volunteers, and groups for the many ways they engage with us and make these smiles and memories possible.

Thanks to all of you, CC is making a difference in the lives of countless children, youth, and families. We invite and encourage you to engage with us. Get started at boardofchildcare.org.

Policy to be Used Upon the Death of a Clergy person While Serving as the Appointed Pastor of a Local Church

This is the revised text of the resolution first submitted to the 2016 Annual Conference Session.

Submitted by: Rev. Deborah L. Cott Calvary MC Mt. Airy M

Rev. Sarah A. Chlicert Melville Chapel MC 1 ridge M

Resolution: Whereas the death of a pastor actively serving an appointment is a tragic and grievous event and

Whereas decisions made in times of shock and intense grief are difficult and sometimes made based on emotions and

hereas specific written policies can provide much needed direction and guidance for members of the pastor's family, the local church, and the district superintendent.

It therefore resolved that the C cabinet, in consultation with the Conference's board of trustees, the Conference Council on Finance Administration (C A), the Executive Committee of the Board of Ordained Ministry, the Conference Chancellor, and the members of this motion, shall create on or before Aug. 30, 2011, a best practices check list for use by local churches and the Conference upon the death of a pastor appointed to serve a local church, and

it further resolved that this Best Practices Check list shall be posted on the C website and

it further resolved that the C shall adopt the following policies to be followed upon the death of a pastor appointed to serve a local church:

1. As soon as possible after the death of a pastor appointed to a local church, the district superintendent shall be notified, and he or she shall then immediately notify the bishop. Notification of the district superintendent shall be the responsibility of a) each other clergy person (if any) serving the same local church under appointment by the bishop, or b) if no other clergy person is under appointment to that local church, by the Chair of the Staff Parish Relations Committee (P C) of the local church.
2. Also soon as possible after the death of a pastor appointed to a local church, the Chairs of the P C and board of trustees for that local church shall secure the pastor's office in the local church (with possible office location change) and shall further identify and secure any and all of the pastor's files, documents, and belongings of any description (including electronic devices such as, without limitation, mobile phones, computers, iPads, or other tablets, and thumb drives, discs, or other electronic storage devices) that may be located elsewhere on the church premises for subsequent review and delivery to the appropriate persons. The same persons will undertake to identify and retrieve any church records and other church property that the pastor may have kept in his or her home (whether a parsonage or otherwise) with care being exercised to involve and obtain any necessary consents from the pastor's surviving family members or other persons who may occupy the same premises.
3. As soon as practical, but not more than 10 days after notification of the pastor's death, the district superintendent or his or her designee (who must be an elder in full Connection) together with the Chair of the local church's board of trustees or his or her designee (who must be a local church trustee or a member of the local church's P C or Finance Committee) shall review the contents of the Pastor's office along with the files, documents, devices, and belongings that have been gathered from other locations in the church building(s) pursuant to 2 above and determine which files, documents, devices, and belongings constitute records or other property of the local church, and which files, documents, devices, and belongings constitute the property of the pastor. To preserve the confidentiality of any privileged communications, the contents of any files or devices that are reasonably likely to contain such communications (e.g., files relating to particular parishioners' pastoral counseling records) shall for purposes of this process be reviewed solely by the district superintendent or his or her designated elder in full Connection, and then only to the extent necessary to determine whether the material constitutes the property of the local church or of the pastor. All files, documents, devices, and belongings that the district superintendent and the Chair of the local church's board of trustees or their designees agree are records or other property of the local church shall be retained for safe keeping by the Chair of the local church's trustees or his or her designee. All files, documents, devices, and belongings that the district superintendent and the Chair of the local church's board of trustees or their designees agree are not records or other property of the local church but belonged to the pastor shall be provided to the district superintendent and retained by him or her for safe keeping pending transmission as

appropriate to the pastor's family to the successor pastor appointed to serve that local church to the extent the Conference maintains on clergy members or otherwise. All local church financial records in whatever form shall remain in the possession of the local church but an inventory of all such records shall be made under the supervision of the district superintendent and the Chair of the local church's board of trustees or their designees) and copies of such records shall be provided to the district superintendent upon request.

4. The Conference through the personnel identified below shall take the following steps
 - a. The district superintendent in consultation with the bishop, the Cabinet and the P-C shall arrange full pastoral coverage at existing level for the local church until an interim pastor is appointed.
 - b. The district superintendent in consultation with the Conference's Executive Minister of Call and Clergy Care and the Chair of the P-C shall provide or ensure support for grief and transition issues for the local church congregation, the pastor's family and the newly appointed pastor.
 - c. In the process of providing near-term pastoral coverage and appointing a new pastor to the local church, the Cabinet will identify whether the deceased pastor's family is living in a church-owned parsonage and or may need assistance with relocation and otherwise take into account the needs of the deceased pastor's family but also the best interests of the congregation and newly appointed pastor.
 - d. Pay the moving expenses for the surviving spouse family on par with those allowed for pastors under existing conference moving policies provided the surviving spouse family is living in the church-owned parsonage and the parsonage is needed for the use of the local church's new pastor.
 - e. The district superintendent with support from the Conference's Director of Human Resources Services shall inform the surviving spouse family about all benefits to which they are entitled.
- In connection with item 4 c) above it is the sense of the annual conference that whenever possible all reasonable efforts and arrangements should be made to allow the surviving spouse family to remain in the parsonage or continue to pay a housing allowance for up to 120 days after the pastor's death.

Proposed Baltimore-Washington Conference Mission Statement

Budget Implications: None

Rationale: This proposed Mission statement will bring greater alignment between the mission statements of the global United Methodist Church, the Baltimore-Washington Conference and local United Methodist faith communities. It also emphasizes and clarifies the Conference's main purpose which is to support and equip local faith communities. This simple, clear statement will guide and focus the work of the Conference, particularly in relation to local faith communities.

Submitted by: Bonnie Cott and Jen Hlo, Chair on behalf of the Discipleship Council
 Resolution: Adopt the following as the Conference Mission statement:

To inspire and equip local faith communities to develop disciples of Jesus Christ for the transformation of the world.

Effective date: July 1, 2018

Resolution to Amend the Moving Policy

Budget implications: \$30,400.00 (estimated by Paul Michelberger). Included in our current budget of \$1,000,000 we already fund a tax liability allowance for pastors whose moves are less than 100 miles.

Rationale: The Tax Cuts and Jobs Act passed by Congress in December 2017 eliminates the exclusion for qualified moving expense reimbursements. Moving expenses covered by the conference are now considered taxable income. This resolution provides a tax liability allowance to all pastors who receive a move covered by this policy.

Submitted by: Rev. Jeffrey Paulson, Chair, Conference Moving Committee

Resolution: Be it resolved: That the Annual Conference approves the following change to the Moving Policy

100. Moving Committee.

Due to the tax liability incurred by covered moving costs moves of less than 100 miles active pastors whose expenses are covered under this policy who will move less than 100 miles shall be provided with a tax liability allowance equal to 30% of the Conference financial liability for the move.

Resolution:

hereas the Council of ishops has proposed the following Mission for the Commission on the ay orward

Mission

he Commission will bring together persons deeply committed to the future s) of he nited Methodist Church with an openness to developing new relationships with each other and e ploring the potential future s) of our denomination in light of eneral Conference and subse uent annual urisdictional and central conference actions. e have a profound hope and con dence in the riune od and yet we ac knowlege that we do this wor in a climate of s epticism and distrust from a human point of view. e are a connection and we admit that our communion is strained yet much transformative mission across our world is the fruit of our collaboration. The matters of human sexuality and unity are the presenting issues for a deeper conversation that surfaces different ways of interpreting cripture and theological tradition. he wor is meant to inform deliberation across the whole church and to help the Council of ishops in their service to the ne t eneral Conference in nding a way forward.

hereas the Council of ishops has proposed the following ision for the Commission on the ay orward

ision

The Commission will design a way for being church that maximizes the presence of a nited Methodist witness in as many places in the world as possible that allows for as much conte tual differentiation as possible and that balances an approach to different theological understandings of human sexuality with a desire for as much unity as possible. This unity will not be grounded in our conceptions of human se uality but in our af rimation of the riune od who calls us to be a grace lled and holy people in the esleyan tradition.

hereas the Council of ishops has proposed the following cope of the wor of the Commission on the ay orward

cope

e should be open to new ways of embodying unity that move us beyond where we are in the present impasse and cycle of action and reaction around ministry and human sexuality.

herefore we should consider new ways of being in relationship across cultures and urisdictions in understandings of episcopacy in conte tual de nitions of autonomy for annual conferences and in the design and purpose of the apportionment. n re ction on the two matters of unity and human se uality we will ful ll our directive by considering new forms and structures of relationship and through the complete e amination and possible revision of relevant paragraphs in the oo of iscipline. e will give consideration to greater freedom and e ibility to a future nited Methodist Church that will rede ne our present connectivity which is showing signs of bro enness. f we ignore this wor fracturing will occur in more haphazard and even self interested ways across the church. f we do this wor only to address our preferences and self interest we will fail to place our complete trust in od s steadfast love and faithfulness. f we do this wor with complete surrender to od s unlimited imagination and ingdom purposes we will be blessed beyond our limited human imagination. od remains od od is with us od will never let us go. o od be the glory

herefore be it resolved that the Baltimore Washington Conference adopt the Accountability Covenant (slightly adapted) below proposed for the Commission for the way forward for our own work together as the Conference and in our local churches as we work through the proposals of the Commission and any adopted proposal by the special session of the General Conference of Feb. 2018.

Accountability Covenant

We covenant to pray for one another for the Commission for the United Methodist Church for the mission of Christ and for a way forward together.

We covenant to attend all meetings concerning the way forward unless unexpected urgencies prevent us to prepare adequately for meetings by reading assigned books or papers to stay engaged and focused to participate actively in learning experiences and conversations and to follow through with any assignments or projects that we agree to accept. We will offer our best and highest to the work of the United Methodist Church as servants of Christ and leaders of the church.

We covenant to treat one another with respect to assume the best in others to represent one another in the best possible light to speak the truth with love and to practice and expect trustworthiness. We will each do our part to offer grace to create an atmosphere of hospitality and to moderate our anxiety through mutual encouragement good humor and with genuine love for one another.

We covenant to listen actively to others to see first to understand rather than to be understood to ask for clarity or help from others to remain attentive to cultural language and contextual diversity to be patient with one another and to foster hopefulness and mutual encouragement.

We covenant to maintain strict confidentiality and so we will avoid inappropriate sharing of personal information stories or perspectives of other members without their consent.

We covenant to avoid harmful speech toward or about others during our meetings and outside our meetings. We will refrain from blaming others misrepresenting others making judgments about others or using derogatory speech about others or the Commission.

We covenant to avoid the practices of interrupting others ignoring others discounting others speaking for others or exhibiting dominating or domineering behavior. We shall practice self-monitoring gently holding one another accountable for divisive or hurtful behaviors.

We covenant to avoid dividing into factions politicizing our processes and retreating into camps and silos based on ideology or regional affinities. We will intentionally seek to cultivate deeper relationships with those we do not know rather than merely spend time with those we already know.

We covenant to restrain ourselves from distracting behaviors during our meeting sessions so that we may remain attentive to one another and to our work. We will refrain from checking emails reading online news and otherwise letting ourselves become distracted for outside obligations.

We covenant to abide by the agreed upon protocols for sharing news information or photos on social media.

Be it further resolved if conversations have not begun in local churches they should begin now this is part of our responsibility as pastors and lay leadership. Superintendents will receive summaries of those conversations at the Fall 2018 Charge Conferences. Addressing the national adopted proposal with our local congregations will also be required. We will report those conversations and work at our Charge Conferences in the Fall of 2018.

Resolution:

hereas the Commission of the ay orward shared s etches of three models with the
awareness that the Commission and the Council f ishops are not restricted to these s etches
and are open to learning listening and improvement. t is li ely that additional models or
s etches may emerge as this process continues. ere is the summary about the s etches of the
models presented to the bishops:

ne s etch of a model af rms the current oo of iscipline language and places a high value
on accountability.

Another s etch of a model removes restrictive language and places a high value on
conte tualization. his s etch also speci cally protects the rights of those whose conscience
will not allow them to perform same gender weddings or ordain L persons.

A third s etch of a model is grounded in a uni ed core that includes shared doctrine and
services and one C while also creating different branches that have clearly de ned values
such as accountability conte tualization and ustice.

ach s etch represents values that are within the C and across the church.

ach s etch includes gracious way of e tit for those who feel called to e tit from the denomination.

e tit esolved that the altimore Annual Conference would welcome and encourage the
adoption of a proposal by the pecial ession of the eneral Conference in eb. 201 that
would allow for the full inclusion of persons of all gender identities and sexual orientations
when it comes to matters of but not limited to marriage performing marriages and ordination.

CONFERENCE LEADERSHIP

"...The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ." Ephesians 4:2-8; 11-13 (NRSV)

In an effort to honor these gifts and our diversity we seek to engage all in building up the body of Christ. The Conference Commission on Nominations seeks to have regional racial gender age and lay clergy inclusiveness in all committees commissions boards and agencies (hereinafter agencies) and chairpersons. This includes working toward having 20-30% of all agencies comprised of persons under 40.

We recommend that agencies identify their meeting dates for the year no later than September 1 of the current year. Care should be given to scheduling meetings at times when most laity are available to increase lay participation. If a member of an agency is absent from two consecutive meetings without an acceptable reason that person shall cease to be a member.

The terms of office for a particular agency are as follows per Book of Discipline (hereinafter Book of Discipline) and Baltimore Washington Conference (hereinafter CWC) policies

1. The quadrennial system is an established part of the United Methodist structure. All members of agencies shall be elected for a quadrennial unless restricted by discipline charter or some other requirement. In the event of such legal restrictions the tenure Limitation is still to be observed.
 - a. All quadrennial terms shall commence on July 1 following the adjournment of the first Annual Conference (hereinafter AC) session following General Conference except the Conference Treasurer whose term shall begin on January 1 of the following year.
 - b. When persons are elected quadrennially they serve a maximum of two terms except for the Board of Ordained Ministry members which may serve a maximum of 3 terms (3.a).
2. All other terms shall commence on July 1 following the AC session in which persons are elected or announcement of election is made.

Each agency member's name is followed by numbers in parentheses and letters

1. Numbers indicate when a term is up and how many terms have been served on that particular agency.
 - a. Quadrennial terms have one number that represents how many quadrennium a person has served (e.g. 1) elected quadrennially and in first quadrennium 2) elected quadrennially and in second quadrennium.
 - b. Other terms have two numbers when the term expires (how many terms served (e.g. 18 1) means term expires in 2018 and person is serving in the first term 18 2) means term expires in 2018 and the person serving is in their second term.
2. Letters indicate the region in which a member's church is located
 - a. A Baltimore Southern A Washington Eastern
 - b. Agency members are urged to immediately contact the chairperson of the agency to which they have been elected if they are appointed to or transfer membership to a church outside the region identified in order to allow replacement by a regional representative.
3. Chair of each Committee is designated by an initial before their name.

INDEPENDENT AUDITORS' REPORT

To the Council on Finance and Administration of
The Baltimore-Washington Conference of the United Methodist Church, Inc.

REPORT ON THE COMBINED FINANCIAL STATEMENTS

We have audited the accompanying combined financial statements of The Baltimore-Washington Conference of the United Methodist Church, Inc., Subsidiary and The United Methodist Church, Washington Area Episcopal Office (Affiliate) (collectively referred to as the Conference), which comprise the Combined Statements of Financial Position as of December 31, 2017 and 2016, and the related Combined Statements of Activities and Cash Flows for the years then ended, and the related notes to the combined financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE COMBINED FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

ELLIN TUCKER

INDEPENDENT AUDITORS' REPORT, CONTINUED

BASIS FOR QUALIFIED OPINION

As more fully described in Note 8 to the combined financial statements, the Conference accounts for post-retirement health benefit obligations on a pay-as-you-go basis. In our opinion, accounting principles generally accepted in the United States of America require the funded status of the post-retirement health benefit obligations be recorded in the Combined Statements of Financial Position and changes in the funded status be recognized as changes in net assets in the year the change occurs. The effects on the combined financial statements of the preceding practice are not reasonably determinable.

QUALIFIED OPINION

In our opinion, except for the effects of the matter discussed in the Basis for Qualified Opinion paragraph, the combined financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Conference as of December 31, 2017 and 2016, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ACTIVITIES

The Baltimore-Washington Conference of the United Methodist Church, Inc. (BWC) was formed to provide for the promotion of the Christian faith, missionary, and benevolent causes.

BWC Borrower, LLC was formed to finance, manage, and maintain property and operate a management business for this purpose. BWC is the sole member of BWC Borrower, LLC.

The United Methodist Church, Washington Area Episcopal Office (Episcopal Office) was formed to manage many aspects of BWC, including presiding over sessions, overseeing fiscal and program operations, and ensuring fair process.

PRINCIPLES OF COMBINATION

The combined financial statements include the accounts of BWC, BWC Borrower, LLC and the Episcopal Office (collectively referred to as the Conference). All significant intercompany balances and transactions have been eliminated.

ACCOUNTING STANDARDS CODIFICATION

All references in the combined financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

BASIS OF ACCOUNTING

The accompanying combined financial statements are presented in accordance with accounting principles generally accepted in the United States of America on the accrual basis of accounting, whereby revenue is recognized when earned and expenses are recognized when incurred.

BASIS OF PRESENTATION

Under the Codification, the Conference is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

Unrestricted net assets are assets that are neither permanently restricted nor temporarily restricted by donor-imposed stipulations. These resources include:

(See Independent Auditors' Report)

NOTES TO COMBINED FINANCIAL STATEMENTS, CONTINUED
The Baltimore-Washington Conference of the United
Methodist Church, Inc., Subsidiary and Affiliate

- Operating – to support operations
- Property – restricted for property acquisitions
- Medical Benefits – designated by the Board to fund medical premiums
- Designated for Loans – to fund low interest loans to the United Methodist Churches
- Designated for Post-Retirement Health Benefits – to fund post-retirement health benefits

Temporarily restricted net assets are contributions whose use is limited by donor-imposed stipulations that either expire by the passage of time or can be fulfilled by use for specified purposes.

Permanently restricted net assets are contributions whose use is limited by donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled or otherwise removed by the Conference's actions.

USE OF ESTIMATES

The preparation of combined financial statements in conformity with GAAP requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

The Conference considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

The Conference maintains its cash in financial institutions which, at times, may exceed federally insured limits. The Conference believes it is not exposed to any significant credit risk on cash and cash equivalents.

FUNDS DUE TO OTHERS

Amounts represent proceeds from the sale of a church property, which is due to the Greater Washington District.

INVESTMENTS

Under the Codification, investments are recorded at fair value. Investments received as gifts and bequests are recorded at fair value at the gift date. To adjust the carrying value of the investments, realized and unrealized gains and losses are reported in the Combined Statements of Activities. See Note 3 for further discussion of the valuation of investments.

(See Independent Auditors' Report)

NOTES TO COMBINED FINANCIAL STATEMENTS, CONTINUED
The Baltimore-Washington Conference of the United
Methodist Church, Inc., Subsidiary and Affiliate

The Conference invests in a professionally managed portfolio that contains stocks and bonds of publicly traded companies, mutual funds, and pooled investments. Such investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with such investments and the level of uncertainty related to the changes in the value of such investments, it is at least reasonably possible that changes in risks in the near-term would materially affect investment balances and the amounts reported in the combined financial statements.

OTHER RECEIVABLES

Other receivables include amounts due from individuals and organizations related to the Conference for pension and medical costs. At December 31, 2017 and 2016, management recorded an allowance for uncollectible accounts of \$966,296 and \$911,016, respectively.

PROPERTY AND EQUIPMENT

Property and equipment greater than \$2,500 are recorded at cost if purchased or fair value at the date of the donation if gifted. Lesser amounts are expensed. Depreciation is determined using the straight-line method over the estimated useful lives of the related assets.

APPORTIONMENTS

The Conference receives a significant portion of its revenue in the form of apportionments from local churches that are members of the Conference. Apportionments are accepted from the local churches; however, they are not a legal obligation. As such, apportionments are recognized as revenue when received, since the amount to be received is undeterminable until paid by the local churches. The Conference's apportionment policy is to include apportionments received by Tuesday following the second Sunday subsequent to the date of the accompanying Combined Statements of Financial Position. Apportionments are used to fund mission and ministries of the Conference and General Church World Services.

MEDICAL PAYMENTS

The Conference receives premiums from local churches that are members of the Conference. These premiums are used to pay for medical insurance for clergy and lay employees of the Conference.

CONTRIBUTIONS

In accordance with the Not-for-Profit Entities Revenue Recognition Topic of the Codification, contributions received are recorded as either unrestricted, temporarily restricted, or

(See Independent Auditors' Report)

NOTES TO COMBINED FINANCIAL STATEMENTS, CONTINUED
The Baltimore-Washington Conference of the United
Methodist Church, Inc., Subsidiary and Affiliate

permanently restricted support. All contributions are considered to be available for unrestricted use unless specifically restricted, either temporarily or permanently, by the donor. The Conference's policy is to utilize temporarily restricted support against qualifying expenses as they are incurred.

CAMPING REGISTRATION AND EVENTS

The Conference receives registration fees for camps owned and operated by the Conference. The Conference also hosts numerous seminars and conferences throughout the year, for which registration fees are collected by the Conference. Revenue is recognized in the year such services and events occur.

PROGRAM EXPENSE

Apportioned funds categories represent the following:

- Discipleship – All department staffing costs for the Councils on Ministries and Human Resource Development as well as the activities of the ministries, missions performed within the Conference, establishing new churches, growth of existing churches, activities and programs undertaken to develop both clergy and lay religious education, and spiritual enrichment of all clergy and lay persons within the Conference
- Stewardship – All financial and administrative components of the Conference, including the treasury function, trustees, pension and health benefits for clergy and lay employees and costs of the Conference Center offices
- Leadership – Costs for departments linked directly to the Bishop's office
- General Church and Jurisdictional Apportionment – Funds collected by the Conference from local churches and designated by the Conference to send to General Church and World Services

RECLASSIFICATIONS

Certain prior year amounts have been reclassified to conform to the current year presentation.

SUBSEQUENT EVENTS

The Conference has evaluated subsequent events and transactions for potential recognition or disclosure in the combined financial statements through May 17, 2018, the date the combined financial statements were available to be issued.

(See Independent Auditors' Report)

NOTE 2 **INCOME TAXES**

The Conference is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is exempt from filing tax returns as a religious organization. In addition, the Internal Revenue Service has determined that the Conference is not a private foundation within the meaning of Section 509(a) of the Code.

The Conference follows the provisions of Accounting for Uncertainty in Income Taxes under the Income Taxes Topic of the Codification. The Codification requires the evaluation of tax positions, which include maintaining its tax-exempt status and the taxability of any unrelated business income, and does not allow recognition of tax positions which do not meet a "more-likely-than-not" threshold of being sustained by the applicable tax authority. Management does not believe it has taken any tax positions that would not meet this threshold.

NOTE 3 **VALUATION OF INVESTMENTS**

Investments at December 31, 2017 and 2016 consisted of the following:

| | <u>2017</u> | <u>2016</u> |
|------------------------|----------------------|----------------------|
| Common Stocks | \$ 1,804,951 | \$ 1,484,043 |

| Total | <u>\$ 51,119,888</u> | <u>\$ 40,940,868</u> |

Investment income for the years ended December 31, 2017 and 2016 consisted of the following:

| | <u>2017</u> | <u>2016</u> |
|--|---------------------|---------------------|
| Interest and Dividends (Net of \$83,024 and \$63,249 of Investment Fees, Respectively) | \$ 121,680 | \$ 106,688 |
| Realized Gain on Sale of Investments | 389,225 | 3,320 |
| Unrealized Gain on Investments | <u>6,034,885</u> | <u>2,602,950</u> |
| Total | <u>\$ 6,545,790</u> | <u>\$ 2,712,958</u> |

The Fair Value Measurements and Disclosures Topic of the Codification establishes a hierarchical disclosure framework, which prioritizes and ranks the level of market price observability used in measuring investments and other financial instruments at fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for

(See Independent Auditors' Report)

NOTES TO COMBINED FINANCIAL STATEMENTS, CONTINUED
**The Baltimore-Washington Conference of the United
 Methodist Church, Inc., Subsidiary and Affiliate**

identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices are available in active markets for identical investments as of the reporting date. The Conference considers its investments in common stocks and mutual funds to be Level 1 investments.

Level 2 – Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies. The Conference considers certain nonpublic mutual funds and pooled investments to be Level 2 investments.

Level 3 – Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The Conference does not currently hold any Level 3 investments.

In certain cases, the inputs used to measure fair value may be categorized into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Conference's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment. There were no changes in these methodologies during the years ended December 31, 2017 and 2016.

The following is a description of the valuation methodologies used for assets measured at fair value:

Common Stock and Bond Mutual Funds: Valued at quoted prices in an active market

Nonpublic Mutual Funds: Valued at the net asset value per share that may be redeemed at the date of the Combined Statements of Financial Position

Pooled Investments: Investments through the General Board of Pensions and Health Benefits of the United Methodist Church (General Board), which consist of diversified nonpublic mutual funds and are valued using the net asset value per share that may be redeemed at the date of the Combined Statements of Financial Position

The methods described above may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Conference believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value

(See Independent Auditors' Report)

NOTES TO COMBINED FINANCIAL STATEMENTS, CONTINUED

Methodist Church, Inc., Subsidiary and Affiliate

of certain financial instruments could result in a different fair value measurement at the reporting date.

The table below presents the balances of assets and liabilities measured at fair value on a recurring basis by level within the hierarchy as of December 31, 2017:

NOTE 7 PENSION EXPENSE

The Conference participates in three multi-employer pension plans which are administered by the General Board. The Conference provides pension benefits for members of the clergy under the three plans. Services provided prior to January 1, 1982 are covered by a defined benefit plan (Pre-82 Plan). The General Board estimated the Conference's portion of the Pre-82 Plan assets exceeded accumulated benefits by approximately \$34,000,000, and the total plan assets exceeded accumulated benefits by approximately \$295,000,000.

Services provided subsequent to December 31, 1981 are covered by the Ministerial Pension Plan (MPP), which has components of both a defined benefit and defined contribution plan. The Conference did not contribute any funds to MPP during 2017 or 2016. The General Board estimated MPP assets exceeded accumulated benefits by approximately \$387,000,000.

Services provided subsequent to December 31, 2006 are covered under the Clergy Retirement Security Program (CRSP), which has components of both a defined benefit and defined contribution plan. The Conference contributed approximately \$2,520,000 and \$3,110,000 to CRSP for the years ended December 31, 2017 and 2016, respectively. The General Board estimated CRSP assets exceeded accumulated benefits by approximately \$136,000,000.

The risks of participating in a multi-employer plan are different from a single-employer plan in the following aspects:

- a. Assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers.

(See Independent Auditors' Report)

NOTES TO COMBINED FINANCIAL STATEMENTS, CONTINUED
The Baltimore-Washington Conference of the United
Methodist Church, Inc., Subsidiary and Affiliate

- b. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- c. If the Conference chooses to stop participating in its multi-employer plan, the Conference may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Lay employees of the Conference are covered by a defined contribution plan (Plan). The level and funding of retirement benefits to individual participants of the Plan are determined annually by the Conference within certain guidelines established by the General Board. The Conference contributed approximately \$312,000 and \$450,000 to the Plan for the years ended December 31, 2017 and 2016, respectively.

NOTE 8 POST-RETIREMENT HEALTH BENEFITS

Post-retirement health benefits for all retired personnel and their spouses, widows, and widowers are provided under a discretionary plan administered by the General Board. The Conference accounts for the obligation on a pay-as-you-go basis, and the cost of post-retirement health benefits was approximately \$1,292,000 and \$1,486,000 for the years ended December 31, 2017 and 2016, respectively. GAAP requires the funded status of post-retirement obligations, representing the difference between plan assets and accumulated post-retirement obligations, be recorded in the Combined Statements of Financial Position and changes in the funded status be recognized as changes in net assets in the year the change occurs. At December 31, 2017, using the most recent actuarial report available, the accumulated benefit obligation for post-retirement health benefits is approximately \$37,000,000, at an assumed discount rate of 3.55%. For 2017, the assumed annual rate of increase in the cost of covered health care benefits is 7.00%. It is assumed to decrease gradually to 5% in 2019 and remain at that level thereafter. A one percentage point increase or decrease in the assumed health care cost trend rate would have an approximate 12% to 15% effect on the accumulated benefit obligation.

NOTE 9 COMMITMENTS AND CONTINGENCIES

The Conference leases office space in Washington, D.C. and Hagerstown, Maryland under leases which expire through July 2022.

NOTE 11 ENDOWMENT FUNDS

The Conference's permanent endowment consists of various donor restricted funds established to provide a source of income for ongoing donor advised program expenses. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

INTERPRETATION OF RELEVANT LAW

The Conference has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA), enacted in Maryland on April 14, 2009, as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund, and (c) the change in unrealized gains and losses of invested endowments to the extent allocations do not reduce the endowment value below the original corpus. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets, until those amounts are appropriated for expenditure by the Conference in a manner consistent with the donor's stipulations or unrestricted net assets.

RETURN OBJECTIVES AND RISK PARAMETERS

The Conference's investment policy is to provide a common investment vehicle, which will generate a stable and continuously growing income stream to support operations. The overall investment goal is to preserve the purchasing power of the future stream of endowment payout for those funds. Other goals include maximizing return within reasonable and prudent levels of risk and maximizing the value of the endowment while maintaining liquidity needed to support spending in prolonged down markets. The Conference seeks a return on investment consistent with levels of investment risk that are prudent and reasonable given medium- to long-term capital market conditions and investment objectives.
