

*A Prayer for Youth to be read by an Adult:*

*Lord, thank you for all you do in my life. I know, Lord, that we are imperfect people living in imperfect times, but Lord, our youth need your grace in a mighty way. Lord, please protect our youth against the things that pull them away from you. Let them live in you as you desire.*

*Give them the strength during the rough patches in their life. Let your desires be their desires. Lord, please provide your grace through protection from the harm that seems to come to our youth physically, emotionally, and spiritually. Lord, I ask that you cover them in grace for healing and for direction.*

*Please, Lord, give me and all the adults in their lives the strength to be an instrument of grace for all youth. Let me be more like you by providing them unconditional love - something they so need in their lives. I ask you Lord to provide as you always do - to move the mountains of doubt and pain that fill our lives. In the holy name of Jesus, Amen.*
