WORSHIP LEADERS SORENSEN

Sorensen is a dynamically powerful and engaging piano-driven pop-rock Christian band led by husband and wife duo, Jeremy and Kimberly Sorensen. With musical influences ranging from The Beatles and Billy Joel to Sara Bareilles and Michael W. Smith, their performances bring hopeful, fun, quirky music to the scene.

Jeremy was formerly lead singer of the band Unsearchable Riches before partnering with Kimberly to form Sorensen. They have released 2 albums and are known for the songs "With You", "Let Your Light Shine", "Psalm 91" and the new single "Not Alone". They are both serving in their local church as worship leaders and have two beautiful daughters. They hope to deliver the message that no matter where you are in your journey, God still loves you, offers unending grace, and has a purpose for you in this world. Sorensen is currently writing for their next album as well as playing concerts and festivals around the country.

WORSHIP LEADERS URBAN STREET LEVEL BACK BY POPULAR DEMAND!

Urban Street Level is a high energy, up tempo contemporary Christian music group whose objective is to engage audiences wherever they perform. USL was started with a vision of Elwood Jones to reach teens all over the United States and around the world. The purpose for doing this type of ministry became clear from observing teens in urban communities that are disconnected from God. Simply put, Elwood found youth bored with the things of God. It was that frustration that formed a group with the vision & purpose to evangelize the youth of America with Hip-Hop, R&B and a Jazzy sound filled with lyrics of praise.
